

The Board believes that any citizen who accepts appointment to the Board should do so with full knowledge of, and appreciation for, the investment in time, effort, and dedication expected of all Board members and that the citizen's intent to serve reflects their intention to serve a full term of office.

However, if for reasons of health, change in domicile, or any other compelling reason, a member does decide to terminate service, the Board requests the earliest possible notification in writing of intent to resign so that the Board may plan appropriately for this exigency.

Board members are expected to regularly attend board meetings. Members who regularly miss meetings may be voted off the board as per the Next Charter School Bylaws.

Vacancies of the Board of Trustees resulting from resignation, death, and any other occurrence may be filled by the election by a majority vote of the current Board at any regular meeting. Such person will complete the remainder of the term just vacated.
