

IRON CLOUD PRIVACY POLICY

This Privacy Policy describes how and when This-App collects, uses, and shares your information when you use This-App, including our mobile applications and websites. This-App receives your information through our mobile applications, websites, email notifications. Privacy and data protection laws in some of these countries may vary from the laws in the country where you live.

Information Use and Collection

Third-Party Services:

This-App uses a variety of third-party services to help provide our Services, to help us understand the use of our Services. These third-party service providers may use cookies and other technologies to collect information about your use of our Services and other websites and services, including your IP address, device ID, pages viewed, and links clicked. Our service providers include [Google Analytics](#) follow <https://www.youtube.com/t/terms> and <https://developers.google.com/youtube/terms/api-services-terms-of-service>.

Non-personal Information

We may also collect so called non-personal data. Non-personal information refers to information that cannot relate to a specific individual, such as the device ID, operating system version, application usage frequency, memory size, etc.

We may collect non-personal information from time to time to better understand users' needs, fix bugs, improve our products and user experience. The non-personal information we collect are installs, frequency of use, country, equipment and so on. However, in some cases non-personal information can be stored together with your personal information, in such cases the non-personal information will be treated as personal information as well.

Please Note: Graphic Assets are edited for enhanced user experience , they might differ from actual Gameplay.
