RACE REPORT (400 words maximum please)

An excellent field of 89 runners set out on a breezy, cloudy and somewhat chilly morning with 5 miles and 1300ft of ascent ahead of them. Conditions underfoot were very good considering the recent weather. The eventually winner Will Robson getting back to full fitness, pulled out a decent lead after the first steep climb and finished 30 secs ahead of second place Craig Jones, Tyne Bridge Harriers, and Russel Walsh, Cheviot Trail Runners. There were many notable performances and in particular three young runners, Matthew Walton 8th and James Tilley 9th of Morpeth Harriers and Lily Robson finishing 3rd Woman. Former Race organiser John Butters was able to run the race for the first time since 2014 finishing in 9th place and 1st M40.

In the women's race Alison Dargie Tyne Bridge Harriers was first to cross the line ahead of Katherine Davis North Shields Poly and Lily Robson Wallsend Harriers.

First time fell runner, North Shields Poly John Faulkner had an eventful race. He suffered a significant calf injury just after the half way mark. Fortunately the Local Mountain Rescue Team were conducting an exercise nearby and were able to check him over and advised him to make is own way off the fell and to his credit he managed to hobble back all the way to finish his first ever fell race!

A successful day, with special thanks to Jane Briggs as joint race organiser and of course to all of the volunteers, family and supporters for making it all possible. Thanks to the Northumberland National Park for the use of their office / facilities and especially to land owner Ross Wilson.

Proceeds from the race going to Northumberland National Park Mountain Rescue Team and the Great North Air Ambulance service.

TOTAL NUMBER OF FINISHERS = 89 **Signed: Mike Steven** **Date: 15 March 2022**
