

# 24-25 CLUB DESCRIPTIONS

A total of **83** clubs will be offered. Please take the time to explore the entire list before making your selections.

As you choose a club to join, please rank your top four favorites. This will help us place you in a club that fits your interests. We'll do our best to honor everyone's choices, but keep in mind that spots are limited in some clubs. Picking four options gives you the best chance of joining a club you'll enjoy.

Yes, every student needs to select a club. Clubs will occur on Day 6 during Period 4.

## Why is RLASHS requiring a club?

***Belonging is a fundamental human need.***

*People search for a sense of connection with the people and places in their lives. Students spend a huge portion of their time during childhood and adolescence at school, which makes it essential that the learning environment cultivates a sense of belonging for students.*

It's no secret that high school is stressful.

If you're gearing up for college, you may feel as though the demands on your time are endless. For starters, you're probably focused on completing challenging courses and test prep. It can seem like you never have any time outside of school—but it is important to de-stress and focus on something besides academics. Joining high school clubs is a great way to achieve that goal! Even better, having a well-rounded portfolio can improve your competitiveness as a future college applicant. **Your participation in clubs can hone your communication skills, foster creative thinking, and teach you how to work effectively with other people.**
