

Draft Communication to Community Members and Parents:

This draft communication options are intended to provide guidance on how to communicate your district's adoption of LearnPlatform to your Community Stakeholders.

Option 1

Dear (District Name) Family,

District has adopted an educational technology management system. LearnPlatform, by Instructure, allows us to provide a library of approved applications for use in District. It helps ensure that programs/software/websites/apps are compliant with student data privacy laws, compatible with our network, and align with our curriculum.

The link below offers you a centralized location to access our library of edtech tools and.... [We recommend adding something specifically tied to the goals of the district and communication/transparency with your parents]

To access the public library, please visit: (district public library url)

If you have any questions, please contact (District Contact @email address). Thank you for your continued support of our schools and the students we serve.

Sincerely,
