San Rafael City Schools is loaning your child a Chromebook for educational use at home. The equipment is the property of San Rafael City Schools. As a parent/guardian I agree to the following conditions:

1. I will not allow anyone to modify the Chromebook in any manner. This includes repair, maintenance, programming, updating and installing or deleting of software.
2. If the Chromebook is damaged or ceases to function properly I will notify the school immediately so that repairs can be made.
3. I understand that the Chromebook and charger must be brought back to school when school is back in session.
4. The Chromebook will remain at home and will not be transported to other locations.
5. I understand the equipment is being provided solely to support my child's educational needs during a time of school closure. It is not to be used for any other purpose (e.g. play games, access the internet, watch videos, access social networking sites etc.).
6. Google Safe Search will limit students internet experience, however it is very important to monitor and be aware of your child's internet usage.
