3. **Volunteer** – **Sign up to volunteer** at one of the LUM food pantries
4. **Promote** – Tell your members and friends; Insert this article in your bulletins, emails, on

social media and websites

Cheryl Fowler, LUM Board president shared that, *"This is an exciting time for LUM. After months of gathering data, it is clear that West Lafayette needs a food pantry."*

The LUM [Westside Food Pantry](#) will complement the LUM [Protein Food Pantry](#), which is located in downtown Lafayette. The [Protein Food Pantry](#) will be open on Thursday mornings, and [Westside Food Pantry](#) will be open on Friday mornings. Future plans include moving the [Protein Food Pantry](#) to a better location and expanding the hours of operation at both sites.
