

Junior Team Home Learning Grid April 29-1 May

This week we will be sharing a grid of learning suggestions for the whole week. You can pick and mix from some of them and SEESAW and there are also the learning packs that arrived for some! Feel free to share anything on SEESAW or email and thank you so much again for all the hard work and great work you are doing, it's fantastic!

READING SCIENCE and WRITING

We have read the story of Maui and how he slowed the sun to make the days longer many times.

Here it is on Youtube It is read in Maori and the words are in English so you can listen or practice reading too or both!

<https://www.youtube.com/watch?v=jbM3PwcGi0g>

Wonderful Wainuiomata! {the dam}
The Great Outdoors!

It is so good to spend time outdoors. Have a look outside and see what you notice, have you tried bird counts at different times of day? What happens to the sun during the day? Look at the shapes you see, what Maths do you notice outside, e.g. shapes. The outdoors may give you an idea for some art you can do with leaves!

MY DAY

This is an idea that came from one of

Maths Focus TIME

How many things do you have at home that measure time, e.g. timers, clocks

Watch the youtube clip- **What time is it?**

<https://www.youtube.com/watch?v=>

[Telling Time with Minutes - Learning Chant for Kids - YouTube](https://www.youtube.com/watch?v=8RJzoylVzV8)

<https://www.youtube.com/watch?v=8RJzoylVzV8>

Basic Facts Practice Year 3

<https://maths.prototec.co.nz/>

Prototec Maths NZ has a different basic facts quiz every day. You do not need to sign in, just type in a name and room number {any will do} and complete the quiz. When you have completed it, it will even mark it for you! Give it a try.

Maths Art Task

Could you make a clock/watch from paper?

Could you make a mouse out of paper?

The Sun

<https://www.youtube.com/watch?v=VkW54j82e9U>

Here are some facts about the sun.

You might like to...

Draw a picture of your favourite part of Maui and the Sun, adding lots of detail.

Write 5 facts about the sun.

READING Log into Epic - Find some interesting books on Time or Space.

Read quietly to yourself every day for at least 15 minutes. Read a book and draw a picture to illustrate your favourite part of the story. I have shared some books about the solar system on SEESAW.

<https://storytime.rnz.co.nz/>

Take time to listen to some amazing stories!

you. Thank you!

Make a list of things to do today or draw up a timetable.

Include helpful things such as ...

1. Tidying a room
 2. Helping make a meal or baking.
 3. Take care of a brother or sister or pet.
 4. Working in the garden.
- Share a photo on SEESAW.

Chill Time

Make a list of things you enjoy doing that you can do by yourself

Writing

I have **loved** seeing the writing that students have been doing! It is so good for your learning to write each day even just a little.

What is a favourite time you remember?

Write about a time that is special to you, e.g. family time, holiday, birthday.

Or make a list of favourite things

Physical Challenges

1. Have a dance party- get dressed up if you like!

2. Play a game:

When someone calls out "He tahepuia te papa" or "the floor is lava" everyone needs to get off the floor because it's hot.

3. Draw a target on a cardboard box and practice throwing a ball or landing a paper dart in it.
