

Dear Hartford Families,

The Hartford School District has started the registration process for the 2025/2026 kindergarten class. Early enrollment is important because it gives the schools time to prepare for your child's kindergarten experience.

If you have a child who is 5 years old on or before August 31, 2025, they are eligible to enroll.

- Children who are currently enrolled in a Hartford School District Pre-K program do not need to complete the registration process.
- Families who already have a child who is actively enrolled within the Hartford School District go to <https://hsdvt.com/enroll-new-student> and scroll down to the section entitled *Existing Families-Pre-K to 12th Grade*.
- Families who do not have an actively enrolled child, go to the section entitled *New Families-Pre-K to 12th Grade*

If you are not able to complete the registration process online, please contact one of the schools. We are happy to help you complete the process.

The Hartford School District assigns students to a school based on your family's physical address. The district's catchment area map is available on the right hand side of the Hartford School District's website (hsdvt.com).

For planning purposes, note the following important dates:

- Prior to May 9th—Registration Completed Online
- May 12th—School Placement & Kindergarten Orientation Times Emailed
- May 20th—Incoming Kindergarten Orientation. Your family will receive a time slot that will occur between 8:30 and 2:00.

If you have a friend or neighbor with a child in this age range, please share this information or have them call their local elementary school.

Thank you for your assistance and please feel free to contact the school with any questions.

Sincerely Yours,

Rick Dustin-Eichler, Dothan Brook School - 295-8647

Amelia Donahey , Ottauquechee School - 295-8654

Doug Kussius, White River School - 295-8650
