Students and professors participating in the Workshop **will be hosted** in the Asiago Astrophysical Observatory guesthouse.

Reaching Asiago from Padova

The Autumn Physics of Data Workshop will take place in Asiago, a beautiful city surrounded by mountains in the North of Padova.

It is possible to reach the Workshop venue in different ways, as described below.

Private organized bus service:

The service is available for the trip from Padova to Asiago on the Morning of Friday 27th. Meeting time and location TBA.

Travel time is approximately 1 hour and 30 minutes.

The service is also available for the return trip to Padova on Saturday 28th after the afternoon farewell coffee break.

Reservation is required.

Public bus transportation:

It is possible to reach Asiago from Padova via public train and bus services.

Padova - Vicenza - Asiago:

Vicenza is reachable by train from Padova in about 20 minutes.

From Vicenza bus station, take line E17 to Thiene bus station and then change to line E23 to Asiago bus station.

Padova - Bassano - Asiago:

From the Padova bus station, take line E21 to Bassano del Grappa bus station, and then change to line E41.

Other means of transport:

please contact the organizers of the Workshop in case the previous options are not adequate for your schedule to arrange other solutions or check if they are compliant with the refund policy.

Reaching Padova from Venice and Verona airports

The Padova train (and the nearby bus) station is easily connected to Venice and Verona airports.

From Venice Marco Polo Airport:

take the direct bus service operated by BusItalia:

<https://www.fsbusitalia.it/content/fsbusitalia/eng/tourism/airport-connection-services/link-to-venice-airport.html>

From Verona Valerio Catullo Airport:

use the bus service to Verona Porta Nuova train station and take the train to Padova.

More information on bus service here: <https://www.aeroporto.verona.it/en/transport/train.html>

In addition to what is mentioned above, one can rent a car with the GoOpti car-sharing service connecting all major airports in the North of Italy: <https://www.goopti.com/en/>

We remind our guests that costs related to *taxi* transfers to/from airports, train stations, Padova, and Asiago *cannot* be refunded by the University of Padova.
