

Free 1:1 Business Coaching Session

For Coaches & Course Creators Scaling to 6- & 7-Figures

In celebration of launching my newsletter www.GetMoreClientsNewsletter.com, I'm offering a free 60-minute 1:1 coaching session.

Let's be clear:

- **This isn't a sales pitch.**
- There are no hidden upsells.
- There's zero offer to buy.

Just a full hour dedicated to you and your business.

After being an entrepreneur for the past 2 decades and helping countless clients scale 6- & 7-figure coaching businesses, I'm happy to dive into:

- Sales Strategies
- Funnel Optimization
- How to Build an Audience *With or Without* Social.
- Lead Generation
- Crafting an Offer Suite
- Next Level Mindset
- Or any area that will help you grow your business!

The last time I offered a session like this, a client paid me \$5k.

Because this is free, there are no make-up calls or rescheduling. You miss it, unfortunately, that's it.

(FYI - I don't know how long I will keep doing these. Right now it's fun and the energy is great but when it's not, I'll shut it down.)

Cheers,

Jason Lew
