Scheduling Notes:

* These courses must be completed before practicum

Courses in Italics can be completed in term of choice and are listed in the term they are offered. Students only complete them once.

In year three, students choose between COUN 578 and COUN 577. They are only required to take one of these. They are listed in blue italics.

Students must complete 5 total electives. Electives can be completed at any time, but have been listed in optimal terms. These may be 507's, other specialty area courses, or potentially non-counseling courses with faculty approval.

Scheduling Notes:

* These courses must be completed before practicum

Courses in Italics can be completed in term of choice and are listed in the term they are offered. Students only complete them once.

Students must complete 2 total electives. Electives can be completed at any time, but have been listed in optimal terms. These may be 507's, other specialty area courses, or potentially non-counseling courses with faculty approval.
