

JUHSD BOARD MEETING COVID PROTOCOL

As we return to in person meetings with public attendance allowed, it is imperative that we maintain a safe environment. With this in mind, the following protocols are now in place effective November 16, 2021.

All in-person meeting attendees, including District staff members, presenters, participants, and those wishing to observe must do the following:

- Provide proof of vaccination or a negative result of a COVID-19 test taken within 72 hours of the start of meeting; please arrive early to allow time for review of documentation.
- As an alternative, rapid antigen tests will be available for meeting attendees who do not provide vaccination verification or test result documentation. Please note, those who opt for onsite testing should plan to arrive at least 45 minutes prior to the start of the meeting (5:15pm for closed sessions and 6:15pm for open sessions) in order to allow time to sign consent forms, take the test, and for results to be received. Attendees are asked to wait outside until their results are available.
- Wear a well-fitting mask that covers the nose and mouth without gaps while in the building.

Those who do not meet the above requirements may participate remotely through the District's [Youtube channel](#).

Proof of being fully vaccinated, proof of a negative COVID test, or proof of recovery from COVID-19 within 90 days may be provided on site, or in advance by emailing our COVID-19 Response Director Michele Jones, mjones@jeffersonunion.net.

If you have any questions, please contact Michele Jones, COVID-19 Response Director, mjones@jeffersonunion.net, 650-550-7914.
