

**North Little Rock Middle Schools
Seventh and Eighth Grade Campus
2021-2022 Course Selection Sheet
8th Grade**

Required Courses:

All 8th grade students will take English, Math, Science, and. Social Studies. Students may take either regular level core classes or advanced level courses. All 8th grade students will also take the 8th grade wheel classes (Career Development, Art Appreciation, PE/Health). Advanced courses selected based upon teacher recommendation and course history. If a parent or student would like to 'move up' to advanced courses, they may do so by emailing the counselor. High School credit classes require meeting certain academic requirements as outlined in the NLRMS 7/8 Course Catalog.

Elective Courses: Choose two electives in order of preference (1st and 2nd), then choose two alternate classes (3rd & 4th) in case your first two electives are not available.
