

LATIN 3**11, 12****Prerequisite – Latin 2**

5135 – 1 unit

Enrollment Based

Latin 3 continues the study of common expressions, idioms, and vocabulary in Latin with their connections to English. Reading skills are expanded as students begin the transition to authentic Latin by reading short selections by Roman authors. A study of classical civilization, myths, legends, religion, history, government, social behavior, the arts, and architecture continue to be emphasized.
