

Art, Design & Media
Digital Arts Major Project Approval Form

Student & Project Information

1. Student Details	
Last Name: Surowiecka	First Name: Magdalena
Subject Area (please indicate) Art & Design Media	

2. Major Project <i>please complete the following details:</i>
Continuation Route: Photography BA (Hons)
Project Title: "Joys of childhood"
Project Aims and Objectives: To create my project of which photography I use, I decide to do photobook, I will arrange a session with my friends' children: Nicola, Nadia, Oskar and Aniela in nice environments for example child play, park. I'm sure that in this background they will be happy and full of energy. Also, I would like to do a self-portrait of children to show They emotions - sadness, happiness. I will create a gallery of consistent photographs (10-15 photos) that I will consistently put together. They will be beautiful portraits. I will be looking in some shops the product which I can use to the session: like decorations or some toys. I will use Photoshop to make some contact sheets, also if a need more program I will use Pixlr maybe as well. To build my photobook I will use flipbook - I have not used this before so I will learn this as I go. I will try use only camera - Nikon D7500 to take the photos, but if I will find a situation that I will have only phone with me and I don't have different chose I will use phone as well. I will get permission from my friends to use photo in my school project and will sign model release forms provided by DMUIC for the parents of children. I will improve the following areas: shutter speed, aperture and composition with other settings such as light.

I will also create a storyboard with the type of shots.

I will research the following children photographers .

I will submit my project before 8 December, 9am.

I will be researching the following artists / designers / media producers:

Magdalena Berny

Kevin Cook

Jake Olson

I will look at storyboard techniques (type of shots such as long shot).

I will also research shutter speed, aperture and composition with other settings such as light.

Look at: [Cambridge in colour](#)

I will be using the following Digital Software:

Blogger

Wix

Photoshop

Pixlr

Flipbook/ Gallery Portfolio

Nikon camera
