EQ: What is memory and why is it important?

Memory is the process of taking in and later recalling information from the outside world, and it helps us **\*learn from our past experiences\*** and learn from our mistakes.

According to TotallyRealWebsite.org, **\*unable to find information Wayt was looking for\*** This quote shows that memory is what allows us to grow and mature. To become wiser, we need to be able to know what to and what not to do.

In addition, memory...
