

Assignment #1 - BEFORE YOU READ

Name:

For this assignment, and all the other *Curious Incident of the Dog in the Night-time* assignments, you will make a copy of the assignment by hitting FILE and MAKE A COPY. When you do, the name will change to COPY OF CIDNT ASSIGNMENT #1. You will get rid of the COPY OF and change it to your name so that the title will read: MARK ALFORD'S CIDNT ASSIGNMENT #1. Obviously you use your name, not mine. Once you are ready for me to grade it, share it with me (mark.alford@enoriveracademy.org). Once you do that, it will pop up in my mailbox.

There are four topics on this page. You are going to summarize (put into your own words) what each one says. Keep the relevant facts. You can bullet point the information.

What Is Autism? What is Autism Spectrum Disorder?

Summarize:

How Common Is Autism?

Summarize:

What Causes Autism?

Summarize:

What Does It Mean to Be “On the Spectrum”?

Summarize:
