

Name: _____

School: _____

Date: _____

Learning Outside:
Post Programme Questionnaire for Students
→ for Infants Classes, teachers please share these questions with your class and report back with quotes/general sense of class response.

Instructions: Please complete the survey by writing or drawing your responses in the boxes below. Your answers will help us learn about what worked well and what we can improve for Seed Scholars programs.

Note: Some questions are the same as the ones in the pre-program questionnaire so that we can learn if your ideas have changed.

1. In your opinion, what does it mean to learn outside?

2. Which nature/outdoor topics/skills do you feel you gained from participating in Seed Scholars workshops?

3. Which nature/outdoor topics/skills would you still like to learn more about?

4. Since participating in Seed Scholars workshops, how have your ideas about learning outside changed (if at all)?

5. What were your favourite moments/activities with Seed Scholars? Why?

6. How could we improve Seed Scholars workshops? What would make them better?

7. Did it feel creative to participate in Seed Scholars workshops? Why or why not?

8. Do you feel that participating in Seed Scholars workshops helped you feel more connected to nature? To yourself? To your classmates?

If so, how/why?

9. Do you think Seed Scholars helped give you more ideas of what you might do when you spend time outdoors? How might you take what you learned with Seed Scholars with you into your life?

10. How did it feel to participate in Seed Scholars workshops?

- *calm/excited/nervous/curious/wild/inspired/tired/etc.*
- *(think about your relationship to yourself/your class/creatures/plants?)*

11. Anything else you'd like to share about your time with Seed Scholars?

A large, empty rectangular box with a black border, intended for a response or drawing.

Thank you for sharing your thoughts and ideas!

Lettuce meet again soon!
