The Offer(CTA):

*yes it's harder, but will get you more results.

Create 3 different courses with 3 different prices, and the goal is the mid-ticket course.

Example: 1st course- 300\$, 2nd course- 450\$, 3rd course- 600\$

And using the magic of words, I'll convince the visitors to buy the 2nd or 3rd course (you can change the prices if you want)*

Testimonials:

- Real Students writing a short paragraph about their experience, what they learned, and what they faced.*
