TUITION INFORMATION

[BOARD POLICY 202, ELIGIBILITY OF NON-RESIDENT STUDENTS](#)

Every school age child is to attend the public school of the child's district of residence, which is the school district where the child's parent(s) or legal guardian(s) physically resides.

On rare occasions we will accept tuition students with approval from the building Principal, Superintendent and School Board. They will need to confirm that there is space and programs available in the grade(s) of the tuition student(s).

Tuition is set by the PA Department of Education and the rates change yearly. The school year tuition rate for 2025-2026 is as follows:

ELEMENTARY

GRADES K-8

\$11,436.76/year

SECONDARY

GRADES 9-12

\$12,105.13/year

These prices will change closer to the 2026-2027 school year.
