Artist Guide for Tigris Lily!

Important Details (Do Not Remove!)

Hot pink stretch marks / stripes on chest, inner thighs, and stomach.

Sharp hot pink nails. Feel free to design nail art for her!

Hair vents, how else will a moe girl breath?

Rounded, big eyebrows. Very circular.

Beauty mark on her left cheek.

Sharp, pointy teeth!

Optional Details (Play around with stuff!)

Hot pink glasses, who cares if she can't see? She's a princess!

Crown / Tiara (Can design a new crown for her or just not draw it at all.)

Outfit (I'd love to see different outfits, it makes sense she'd have a big wardrobe!)

Hairstyle (Tigris's hair is very curly but feel free to go crazy with it!)
