

FJSHS Parent Update: 4/29/22

May begins - finish strong!

Parent Update Video (Prom Prep): <https://youtu.be/aHm8D5FeyL0>

Prom:

Many of our juniors and seniors will be attending prom on April 30th. This is a fun and exciting time for our students and we want them to all make safe and positive choices over the weekend. If you have a prom goer, we encourage you to give frequent reminders of this during the week.

MCA testing:

The MCA Reading and Math is complete for most students - here is what's left.

MCA testing comes every spring in the follow grades and areas:

8th grade: Science

High School: Science for those students enrolled in Biology (mostly 10th grade)

Here are the weeks students can expect to be testing:

May 2-6: Science

Help your student prepare for these tests by getting plenty of sleep and a good breakfast - remember, we have a hot breakfast served for free every morning!

Saturday School:

We will be having 2 more Saturday school opportunities for students on May 14th and 21st.

These dates are still a few weeks out, but we wanted to make sure you have those dates on the calendar. The hope is that we have no students in need of extra help and time during the last few weeks of the school year, but the offer will be there!

New Building Update:

Many subcontractors have been in and out of the building over the past couple of weeks - we even have windows in place.

Get help with classes:

The semester is in the final month and help opportunities are plenty. Please contact the main office or your student's teachers if you have any questions about these additional learning opportunities. A "choice board" explaining the different options is linked here:
