

Zoom partners with schools to provide video communications to support traditional, virtual, and hybrid classrooms, distance learning, educational office hours, guest lectures, and more. As part of the services we provide to K-12 schools, Zoom may be used by students, including students under the age of 16. We are particularly committed to protecting the privacy of K-12 users, and Zoom's K-12 Schools & Districts Privacy Policy is designed to reflect our compliance with the requirements of the Children's Online Privacy Protection Act ("COPPA"), the California Consumer Privacy Act ("CCPA"), the Federal Education Rights and Privacy Act ("FERPA"), and other applicable law.
