The Fall Fest was a success, and we ended up having an equitable amount of parental participation, from every grade, with the activities.

The EPS and Slackwood Elementary combined Trunk or Treat also went well, and we received positive feedback for the event.

The Coin Wars are over! 3rd Grade won 1st place but since 2nd Grade came in 2nd place by less than \$20, both grades will be receiving prizes for their shared victory! Volunteers are needed for prize distribution, currently.

Spiritwear for colder weather will be available soon. Business with the new company continues to go well. Some remaining t-shirts still in stock will be added to the Thanksgiving baskets.

The Book Fair pre-order day is Tuesday, the 19th, for students to browse and write down their wish list. The book fair officially opens on Thursday, the 21st.

The Thanksgiving baskets are almost complete. We are currently short on roasting pans and frozen pies so we are making efforts to ensure those items are obtained and the baskets are complete, soon.

We are going to begin obtaining gift cards for the upcoming holiday season.

Movie night is going to be on Friday, January 10th. The snow date is January 24th. A SignUp Genius will be created soon to move this event forward.

There will be no December meeting. The next scheduled PTO meeting will be on January 13th, 2025.
