Meetings typically begin with 15 minutes of public comment before moving into the regular business of the Board. Here is more information about how public comment works.

Meeting agendas are published at least 48 hours before the meeting. The Board chair and vice-chair also publish a “leadership report” at that time which gives an overview of what is expected to be discussed at the meeting -- this is a very useful tool for community members to know what is happening at the Board table. Both the agenda and the leadership report for each meeting can be found in the first several pages of the “2022-23 Packets” that are listed in the [top right of this page](#). *During the 2022-23 school year, most meetings will be offered with the option for community members to join and participate remotely.
