

CELEBRATING GOOD TIMES

Fall events at St. James have been super for all that had the chance to attend! Our first Halloween Costume party with parishioners and families from the neighborhood was a great success. Many children of all ages came to dance, eat, win prizes, play games and even race to eat whipped cream off their plate. With little time between we were on to our next event with the English Tea. It was a delightful event with tasty scones and sandwiches to enjoy. Raffle baskets were donated and won by some lucky guests. Finally, the Italian Feast fundraiser was next in line. The Social Hall was full of Fall colors and the dinner was set to serve. The patrons arrived and had a Feast with many choices to choose from. We thank everyone for donating food, baskets and time to this rewarding event. \$1,500 was raised to donate towards a new roof needed at the St. Paul Church in Kodiak Alaska.
