

MaryLynn Magar
Vice President and General Manager
HeartCare Imaging, Inc.

MaryLynn Magar is the Vice President and General Manager of HeartCare Imaging, Inc., a healthcare and diagnostic imaging solutions provider for Teaching and Critical Access Hospitals.

Magar is a former member of the Florida House of Representatives. MaryLynn served in various leadership roles, including Chairman of HealthCare Appropriations. She was the highest-ranking woman in the legislature when elected as Speaker Pro Tempore of the Florida House in 2018 until term limited in 2020.

Magar secured \$Millions in research funding and over \$30M in capital for FAU's Stiles Nicholson Brain Institute in Jupiter providing state-of-the-art laboratories for groundbreaking research, delivering rewarding careers, and finding cures for neurological conditions such as Autism, Alzheimer's and Stroke.

MaryLynn continues in community service and leadership by serving as a Board Member of Palm Beach N Chamber, Chairman of the Martin County Republican Party, and Eucharistic Minister in the Catholic Church. She lives in Tequesta with her husband and family.
