Term 2, Week 1 - Room 12 You can choose when to do these activities. They must be completed to a high standard by lunchtime on Friday.

Reading

- Fill in your reading log in the back of your spelling book and the sticker chart. You need to read at least 10 books this term.

Maths

- Complete the activities your teacher gives you after your lesson.

Reflection

- If you don't already have a blog, you can choose to set one up. You will use it for reflections during the year. Go to blogger.com and use your school gmail account. Ask a Year 8 to help you. **Remember the privacy/safety ideas we talked about in class.**
- Go to the Kauri blog at stbensfab.blogspot.co.nz Read some of the blogs from last year's students so you get an idea of how they work.
- Email Miss F Bolger the URL (address) of your blog so she can add a link to the syndicate blog.
- On your blog (or in your journal) introduce yourself to your audience. You may wish to describe your interests, tell us what you did in your holidays, tell us about any great books or movies that you've read/seen recently.

Goals

- Evaluate the goals you set last term - say whether or not you have achieved them and why or why not.
- Set yourself new goals for this term under the same headings. Some can be the same if you have not yet achieved them.

Art

- Complete the Egyptian art activity.

R.E.

- In your RE book, create a title page that says 'Religious Education'.
- Complete the follow-up activity after your lesson.

German

- Complete 50 XP on Duolingo.

Science Fair

- Think about ideas for your Science Fair project. You will need to decide what you will investigate by the end of Week 2.

Spelling

- Learn your 15 spelling words by writing them into your Spelling book with the headings Write, Strategy, Practice. Get a buddy to test you and show your test to the teacher.
- Then get 15 new words to learn next week and ask your teacher to check and sign them.
- If you're in the Vocab Extension group, choose 5 new words to learn. Write them in your spelling book with the definition and a sentence for each one. You will be tested on their spelling and meanings.

Homework

- Choose some of your tasks to complete at home so they are all finished by Friday.
- Read for at least 20 minutes each night. Fill in your reading log in the back of your homework book. Remember you need to be reading a book every week (but really long books can count as 2 books if necessary).
