Old Business

- None

New Business

- Adding Fall Fitnessgram Testing Window, once approved by board (to align with new state 4x4 requirements)

- Always had 9th graders in PE all year long. 10th grade no in PE, so technically in violation of state rule because it was impossible.
- Law changed for 4x4. Now PE once in 9th grade and once in 10th grade.
 - All 9th graders take the Presidential Fitness Test. Opening a new window in the Fall instead of taking them out in the spring to do the test. Needs SGT vote to approve to open the Fall Window
- MOTION: open to the Presidential Fitness Test testing window in the fall for students who are in the fall semester.
 - First: C. Esselstein
 - Second: C. Barclay
 - Vote: Unanimous
- Mascot Naming Committee - input regarding selecting staff and community members
 - First school using the new process.
 - District approved who should sit on the committee, but not how to pick those people.
 - Staff:
 - K. Johnstone - Athletic Director, because the mascot is so ingrained in athletics. Other people can suggest themselves/nominate themselves or others and it goes to a staff vote.
 - People need to be able to be at all of the listening sessions.
 - Motion: Staff members will be the Athletic Director, and another staff member. In August Staff will nominate themselves or others. Nominees will go to the staff for a vote. Once elected, the meetings will start in September.
 - Motion: K. Johnstone
 - Second: H. Fulton
 - Vote: Unanimous
 - Community:
 - Motion:
 - 1 parent of a current student/cluster student
 - 1 community member
 - People apply to one of the categories and then names are randomly selected.
 - Motion: A. Clark
 - Second: C. Esselstein
 - Vote: unanimous
 - Within the Clairemont Boundaries, Alumni, Parents in the cluster?
 - Not sure how many people are going to want to volunteer
 - Anyone can be in the listening sessions. Even those not on the committee can be in the listening sessions and be part of the conversation.
 - Students:
 - Nominate themselves or others and send out to vote
