

## **PUNJABI LANGUAGE CLASSES**

### **Punjabi - 101**

This class is for students with having English background. It starts with the Punjabi alphabet. It teaches you to read any Punjabi word written in the Gurmukhi script and write any Punjabi word in Gurmukhi. Muharni is used as a tool for reading and writing. (Prerequisites: Grade 6 or higher)

### **Punjabi - 201**

This class reviews Muharni for forming words. It introduces forming words using auxiliary matras and foot letters. Singular, plural, masculine, and feminine words are introduced. Reading and writing words that incorporate nasal sounds and letter emphasis is the subject of this class. (Prerequisites: Punjabi-101 or equivalent)

### **Punjabi - 301**

This class introduces the grammar of Punjabi words. Punjabi sentence structure, punctuation marks, the grammar of Punjabi sentences, and tenses are the topics of this course. (Prerequisite: Punjabi-201 or equivalent)

### **Punjabi - 401**

Reading and writing Punjabi sentences, paragraphs, essays, letters, descriptions, and procedures are the topics of this class. Punjabi conversation is part of all activities of this class. (Prerequisites: Punjabi-301 or equivalent)

### **Punjabi - 501**

This course is for high school students. It develops their speaking and writing capability. Currently selected topics are used to develop writing and speaking skills to prepare the student to take the state exam to earn World Language credits in Punjabi. (Prerequisites: Punjabi 401 or equivalent or instructor's permission)

## **STEM CLASSES**

These classes are for junior high and high school students. These classes emphasize concepts and are taught to address topical deficiencies. Students are admitted to a class on the basis of a diagnostic test. The class size is limited to five students.

### **Pre-Algebra**
