

Fișă de lucru – Calcule cu măsuri de unghiuri

1. Determinați măsurile unghiurilor necunoscute din următoarele figuri (fără a le măsura):

2. a) Decupați un triunghi dintr-o foaie de hârtie.
b) Măsurați unghiurile triunghiului și calculați suma celor 3 unghiuri.
c) Îndoiiți foaia de hârtie urmând pașii indicați. Ce observați?

Se verifică observația făcută cu calculul de la punctul b)?
