November 1, 2022

Dear Parents,

It has been a blur for our first 9 weeks and I am sure the next 9 weeks will go by just as fast! We have many celebrations from our first quarter and I know we will see just as many in months to come. We continue to focus and make each and every day a day of learning and achieving and we are so thankful to have the opportunity to teach your children.

This last weekend, we hosted the 1A 6 man first round of playoffs against the Encampment Tigers. Our Boys fought hard but were out done by the Encampment Tigers and they ended their season. Our Lady Bucs traveled to Yoder for the Regional Volleyball Tournament and played very well coming away with a third place. They will move onto the State Tournament this coming Thursday -Saturday with their first game against Cokeville at 6pm on Thursday. The Kaycee Middle School Lady Broncs basketball season is also in full swing. Come join us as we support these young athletes.

We have continued to grow in our collaboration efforts. In the months of November and December our teachers will be working on Classroom Engagement and the learning experience by joining fellow teacher classrooms and observing teaching techniques. Our hope with this process is to see the many different approaches used to increase student engagement.

We will hold Spring Registration for College classes for Sophomores, Juniors and Seniors on Nov. 8th at 9am. We will have a Sheridan College admissions rep available for questions and advising at 9am in the 6-12 Library. If you would like to attend the registration please contact our office so that we may plan for you. If you would like to review what classes are offered online through Sheridan College you can do so through the following link:

<https://www.sheridan.edu/wp-content/uploads/2022/11/23SP-Class-Schedule-Sheridan.pdf>

Later that week we will have a Free Application For Federal Student Aid (FAFSA) workshop night at 5:30pm on Nov. 10th. This meeting is open to all seniors and their parents. Most colleges require enrolling students who are applying for financial aid to fill out the FAFSA Application. This workshop is geared to help families fill out the needed paperwork. If you happen to have any questions please feel free to contact Ms. Olsen our guidance counselor for more information.

Important November events include:

- November 4th
 - State Volleyball Casper
- November 7th
 - NHS Induction 5:30pm
