## **Section 1 – General Information**

Welcome to Caveman Country and the Carlsbad Municipal Schools! Whether you are new to CMS or a long-time employee, the School Board extends its appreciation for your commitment to public education and furthering the growth of our students.

The ***purpose*** of this *Handbook* is to provide information and guidance that will help employees in understanding what can be expected from the District and what the District expects from employees. The employee handbook describes the professional expectations and necessary conditions for our work together.

The ***goal*** for the *Handbook* is to be a valuable tool in understanding how the District works, as well as to serve as a reference guide for answering questions about employment in the District. However, the *Handbook* is not a detailed description of all employment policies. Please be sure to take the time to review the policies on the Board of Education section of the District's webpage at <http://www.carlsbadschools.net>.

This Employee Handbook is a reference document and provides a summary of employee benefits and guidelines with respect to your employment. It does not cover all aspects of your employment with the Carlsbad Municipal School District. You are responsible for reading and understanding this Employee Handbook. If you have any questions, please discuss them with your supervisor. If you need interpretation of this information contained in this Handbook, please contact the Human Resources Department.

Schools or departments may establish additional guidelines and procedures appropriate to their school or department. Please learn those guidelines and observe them at all times. They are established for your benefit and that of the school or department and our students.

This Employee Handbook replaces any earlier CMSD Employee Handbook. In addition, this Handbook may be revised from time to time, as needed, without prior notice as business, employment, legislative and/or economic conditions dictate. Any such revisions apply to existing as well as future employees. Revisions will be made as they are approved.

Only the Superintendent of the Carlsbad Municipal School District or his/her designee may alter or modify any of the provisions of this Employee Handbook. Statements or promises by an administrator, principal, supervisor, manager or department head may not be interpreted as a change in policy and do not constitute an agreement with an employee.

In the event of a conflict between school or department policies and this Employee Handbook, this Handbook and the Carlsbad Municipal School District's Board of Education Policies and Administrative Regulations will govern. When the Carlsbad Municipal School District's Board Policies and Administrative Regulations are changed, they supersede the information in the Employee Handbook. In addition, the complete Board of Education Policy Book, which you are asked to review, can be found on-line at <http://www.carlsbadschools.net>.

This Handbook is not a contract or any part of a contract of employment, express or implied.

This is a general publication prepared for all CMSD employees, many of whom are represented by various unions. If a conflict arises between an item in this Employee Handbook and an item in a collective bargaining agreement, the terms in the collective bargaining agreement will govern without nullifying any other items in this Handbook. If a conflict arises between an item in this Employee Handbook and an item in CMSD Board of Education Policies and Administrative Regulations, the terms in the CMSD Board of Education Policies and Administrative Regulations will govern without nullifying any other items in this Handbook. Nothing in the District's policy is designed to interfere with, restrain, or prevent employee communications regarding wages, hours, or other terms and conditions of employment; employees have the right to engage in or refrain from such activities.

Any employee who fails to follow the guidelines outlined in this Employee Handbook or other policies of the district may be subject to appropriate disciplinary action – up to and including termination or discharge. Each employee is to sign an acknowledgement statement indicating receipt of this Handbook, and is responsible for the review and awareness of this Handbook's contents.

**Each employee is responsible for reviewing the *Handbook* and completing the employee acknowledgement page. Please be sure to review the specific School Board policies that are referenced throughout the *Handbook*, including all employment policies. It is each employee's responsibility to read and become familiar with this information and to follow the District's policies and procedures.**

For specific procedural information at the building or assignment level, consult your immediate supervisor and/or the building or program staff handbook.

### **NON-DISCRIMINATION: IT'S THE LAW**

The Carlsbad Municipal School District does not discriminate in its hiring or employment practices on the basis of race, color, national origin, ancestry, gender, sexual orientation, age, religion, creed, physical or mental disability, marital status, veteran status, political affiliation, or any other factor protected by law. The Assistant Superintendent of Human Resources and the following Compliance Coordinators have been designated to handle inquiries regarding the nondiscrimination policies:

### **Equal Opportunity**

The Carlsbad Municipal School District is an equal opportunity employer. Employment decisions are based on merit and business needs, and not on race, color, citizenship status, national origin, ancestry, gender, sexual orientation, age, religion, creed, physical or mental disability, marital status, veteran status, political affiliation, or any other factor protected by law.

It is the policy of the Carlsbad Municipal School District to comply with all the relevant and applicable provisions of the Americans with Disabilities Act (ADA). The Carlsbad Municipal School District will not discriminate against any qualified employee or job applicant with respect to any terms, privileges, or conditions of employment because of a person's physical or mental disability. The Carlsbad Municipal School District will also make reasonable accommodation wherever necessary for all qualified employees or applicants with disabilities, provided that the individual can safely perform the essential duties of their position with or without reasonable accommodation, and provided that any accommodations made do not impose an undue hardship on the Carlsbad Municipal School District.

### **Equal Opportunity Complaints**

The District encourages informal resolutions of complaints under this policy. A formal complaint resolution procedure is available, however, to address allegations of violations of the policy in the District

## **Reasonable Accommodation of Individuals with Disabilities: Americans with Disabilities Act and Section 504**

The District makes reasonable accommodations to qualified employees with disabilities for the performance of essential job functions without undue hardship to the district. A reasonable accommodation is a change or adjustment to job duties or work environment that permits a qualified applicant or employee with a disability to perform the essential functions of a position or enjoy the benefits and privileges of employment compared to those enjoyed by employees without disabilities, or without the same sincerely held religious belief. Accommodations are reviewed case by case in accordance with the Americans with Disabilities Act (ADA) and any state or local laws that prohibit disability discrimination. Contact the Human Resources Department for questions or assistance.

### **Family and Medical Leave Act (FMLA)**

#### **Employee Eligibility**

To be eligible for FMLA benefits, an employee must:

- work for a covered employer;
- have worked for the employer for a total of twelve (12) months;
- have worked at least one thousand two hundred fifty (1,250) hours over the previous twelve (12) months; and
- work at a location in the United States or in any territory or possession of the United States where at least fifty (50) employees are employed by the employer within seventy-five (75) miles.

Under some circumstances, employees may take FMLA leave intermittently - taking leave in separate blocks of time for a single qualifying reason - or on a reduced leave schedule - reducing the employee's usual weekly or daily work schedule. When leave is needed for planned medical treatment, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt the employer's operation. If FMLA leave is for birth and care, or placement for adoption or foster care, use of intermittent leave is subject to the employer's approval.

This act requires the district to offer up to 12-weeks of unpaid leave during any 12-month period to eligible employees (must work at least 1,250 hours during the previous year) for one or more of the following reasons...

- for the birth and care of the newborn child of the employee
- for placement with the employee of a child for adoption or foster care
- to care for an immediate family member (spouse, child, or parent) with a serious health condition
- to take medical leave when the employee is unable to work because of a serious health condition.

Spouses employed by the same employer are jointly entitled to a combined total of 12 work weeks of family leave for the birth and care of the newborn child, for placement of a child for adoption or foster care, and to care for a parent who has a serious health condition.

The district may choose to use accrued paid leave (such as sick leave or personal leave days) to

cover some or all of the FMLA leave.

The district is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken, and on the same terms as if the employee had continued to work. If applicable, arrangements will need to be made for employees to pay their share of health insurance premiums while on leave. The employer may recover premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave. Upon return from FMLA leave, an employee must be restored to the original job, or to an equivalent job with equivalent pay, benefits, and other terms and conditions of employment.

Employees seeking to use FMLA leave are required to provide a 30-day advance notice of the need to take FMLA leave when the need is foreseeable and such notice is practical. The District may deny FMLA leave to any eligible employee until such time as the employee has provided the required notice. The district may also require the employee to provide medical certification supporting the need for leave due to a serious health condition affecting the employee or an immediate family member and periodic reports during FMLA leave regarding the employee's status and intent to return to work. The District may deny FMLA leave to any eligible employee until such time as the employee has provided the required notice.

If you need to be absent from work for your serious health condition, the serious health condition of an eligible family member, birth or adoption of a child, or any other condition that you believe may be eligible for this leave, please contact the Human Resources Office as soon as possible.

## **Harassment and Discrimination**

The Carlsbad Municipal School District intends to provide a work environment that is pleasant, professional, and free from intimidation, hostility or inappropriate behavior which might interfere with work performance. Harassment or discrimination of any sort will not be tolerated.

Workplace harassment can take many forms. It may be, but is not limited to, words, signs, offensive jokes, cartoons, pictures, posters, e-mail jokes or statements, pranks, intimidation, physical assaults, physical contact, or violence or social media. Harassment may or may not be sexual in nature and may not be directed to the individual but take place within their range of hearing. Other prohibited conduct includes retaliatory action against an employee for discussing or making a harassment complaint.

Sexual harassment may include unwelcome sexual advances, requests for sexual favors, or other verbal or physical contact of a sexual nature when such conduct creates an offensive, hostile or intimidating working environment and/or it prevents employees from effectively performing the duties of their position. It also encompasses such conduct when it is made a term or condition of employment or compensation, either implicitly or explicitly and when an employment decision is based on an individual's acceptance or rejection of such conduct.

**Responsibility:** The Carlsbad Municipal School District employees, particularly supervisors, have a responsibility for keeping our work environment free of harassment and discrimination. Any employee, who becomes aware of an incident of harassment or discrimination, whether by witnessing the incident or being told of it, must report it to their immediate supervisor or to the Human Resources Department at the Carlsbad Municipal School District.

**CMS Employee Handbook:** Updated 9/15/25

When the District becomes aware of the existence of harassment or discrimination, it is obligated by law to take prompt and appropriate action, whether or not the victim wants the district to do so.

### **Reporting Harassment or Discrimination**

If there is no threat of violence, CMSD encourages you to communicate directly with the alleged harasser and make it clear that the harasser's behavior is unacceptable, offensive or inappropriate, although you are not required to do so. In addition, if you believe you have been subject to harassment or discrimination, you are required to immediately notify your supervisor and/or the Human Resources Department.

All complaints will be investigated promptly and as discreetly and confidentially as is reasonably possible. If harassment or discrimination by an employee is established, CMSD will take appropriate disciplinary action against the offender. Disciplinary action can range from verbal warnings to termination/discharge, depending on the circumstances. Retaliation of any sort will not be permitted. No adverse employment action will be taken for any employee making a good faith report of alleged harassment. The Carlsbad Municipal School District accepts no liability for harassment or discrimination of one employee by another employee.

The individual who makes unwelcome advances, threatens or in any way harasses or discriminates against another employee is personally liable for their actions and the consequences. The Carlsbad Municipal School District may or may not provide legal, financial or any other assistance to an individual accused of harassment or discrimination if a legal complaint is filed.

The Carlsbad Municipal School District prohibits any employee from retaliating in any way against anyone who has raised any concern about harassment or discrimination against another individual.

### **Violence in the Workplace**

The Carlsbad Municipal School District prohibits violence in the workplace. Threatening, intimidating or coercing fellow employees on or off district property at any time, for any purpose will not be tolerated. This applies to all persons involved in the Carlsbad Municipal School District's operations, including personnel, vendors, contractors, temporary employees and anyone else on CMSD property. Any act or threat of violence will result in disciplinary action, up to and including termination/discharge, and/or referral to law enforcement.

All employees should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, "horseplay," or other conduct that may be dangerous to others. All threats of (or actual) violence, both direct and indirect, should be reported as soon as possible to your immediate supervisor. This includes threats by employees, as well as threats by customers, vendors, solicitors, former employees, family members, or other members of the public. When reporting a threat of violence, you should be as specific and detailed as possible.

Any employee who has been threatened with serious bodily injury or property harm in any

context (including a personal relationship) must notify the district of the threat. The District will not take any adverse employment actions against an employee who notifies the district of a threat of violence because of the notification. Further, in any circumstance in which the threat relates to a personal relationship the district will not mandate that the employee pursue criminal charges. The District will review each situation as confidentially as possible with the employee and determine whether additional precautions for the workplace are necessary on a short- or long-term basis.

All suspicious individuals or activities should also be reported as soon as possible to a supervisor. Do not place yourself or coworkers in peril. If you see or hear a commotion or disturbance near your work station, do not try to intercede or see what is happening.

The District will promptly and thoroughly investigate all reports of threats of (or actual) violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical. In order to maintain workplace safety and the integrity of its investigation, the district may suspend employees, either with or without pay, pending investigation. Failure to cooperate in an investigation may result in disciplinary action up to and including discharge or termination. In order to ensure a safe work environment a fitness for duty evaluation may be required before an employee may return to work.

Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including discharge or termination.

Examples of workplace violence include, but are not limited to:

- a. All threats or acts of violence occurring on CMSD property, regardless of the relationship between CMSD and the parties involved.
- b. All threats or acts of violence occurring off CMSD property involving someone who is acting as a representative of CMSD.
- c. Grabbing, hitting or shoving an individual.
- d. Threatening an individual or his/her family, friends, associates or property with harm.
- e. Intentional destruction of or threats to destroy CMSD property.
- f. Making harassing or threatening phone calls.
- g. Harassing surveillance or stalking.
- h. Unauthorized possession or inappropriate use of firearms or weapons.
- i. Intimidating or harassing students, staff or parents.

### **Family Violence and Your Workplace**

Family (Domestic) violence falls into the categories of child abuse, partner/spousal abuse, sibling abuse, elder abuse and dating violence. It is a pattern of assault and coercive behaviors -- including physical, sexual, psychological attacks and economic coercion -- which results in hurt, fear, injury, suffering or death. Currently, most instances of family violence in the workplace are in the form of partner abuse. Cases of domestic violence often spill into the work setting. If you find yourself or know of a coworker experiencing family violence, it is imperative that you seek assistance. Following are contacts for assistance and information:

- National Domestic Violence Hotline 800-799-7233
- Carlsbad Police Department 575-885-2111
- Eddy County Sheriff 575-887-7551

## **Section 3 – Employee Expectations – All Employees**

### **Overview**

The District expects its employees to commit to produce quality work, maintain confidentiality, work efficiently, and exhibit a professional and courteous attitude toward other employees, parents, and students. The District expects employees to comply with all applicable Board policies, work rules, job descriptions, terms of this Handbook and legal obligations. The District expects employees to comply with the standards of conduct set out in Board policies, this Handbook, administrative regulations, and with any other policies, regulations and guidelines that impose duties, requirements or standards attendant to their status as District employees. Violation of any policies, regulations and guidelines may result in disciplinary action, including termination of employment.

The following delineation of employment practices is for informational purposes and is not intended to be an exhaustive list of all employment expectations that may be found in other applicable Board policies, work rules, job descriptions, terms of this Handbook and legal obligations.

### **Open Communication**

The Carlsbad Municipal School District encourages you to discuss any issue you may have with a co-worker directly with that person. If a resolution is not reached, please arrange a meeting with your supervisor to discuss any concern, problem or issue that arises during the course of your employment. Retaliation against any employee for the appropriate use of communication channels is unacceptable. Please remember that it is counterproductive for employees to create or repeat rumors or gossip.

### **Customer and Community Relations**

The success of the Carlsbad Municipal School District depends upon the quality of the relationships between Carlsbad Municipal School District, our employees, customers and community. Our customers' impressions of Carlsbad Municipal School District and their interest and willingness to send their children to our schools are greatly influenced by the people who serve them. You are an ambassador of Carlsbad Municipal School District. The more goodwill you promote, the more our customers will respect and appreciate you, the Carlsbad Municipal School District, and the programs we offer to students.

### **Accident/Incident Reports**

All accidents, no matter how minor, are to be reported by completing an accident report, on the day of the accident. All program directors and school secretaries have blank accident forms in their

offices. Turn completed accident reports into your program director or school secretary for processing. Failure to report accidents in a timely manner (15 days from time of accident) may result in Workman's Compensation denying employee's request to pay expenses that were incurred due to the accident.

If an accident should occur, the employee must contact the HR at (575) 234-3300. If it is an emergency, the employee should go directly to the Emergency Room.

### **Appropriate Use of District Funds**

The employee shall adhere to all internal controls that deter and monitor all fraud or financial impropriety in the District. Any person who suspects fraud or financial impropriety in the District shall report the suspicions immediately to any supervisor, the Superintendent or designee, the Board President, or local law enforcement. Reports of suspected fraud or financial impropriety shall be processed in a manner that gives appropriate consideration to the confidentiality of these matters. Limited disclosure may be necessary to complete a full investigation or to comply with law. Each employee who supervises or prepares District financial reports or transactions shall set an example of honest and ethical behavior and shall actively monitor his or her area of responsibility for fraud and financial impropriety. Neither the Board nor any District employee shall unlawfully retaliate against a person who in good faith reports perceived fraud or financial impropriety.

### **Attendance (Daily, Meetings, School Events)**

The District expects employees to make every effort to be present for work. Employees are expected to follow their assigned schedule. In order for the schools to operate effectively, employees are expected to perform all assigned duties and work all scheduled hours during each designated workday, unless the employee has received approved leave. Breaks and meal periods may only be taken during times designated by the employee's supervisor/building administrator and as further specified in other parts of this Handbook. Any deviation from assigned hours must have prior approval from the employee's supervisor/building administrator.

Employees who are unable to report to work shall follow the applicable procedures for reporting his/her absence. Any time spent not working during an employee's scheduled day must be accounted for using the appropriate procedure. The District will monitor attendance and absence patterns. Theft of time and/or improper modification of time-worked documentation will be investigated and will result in disciplinary action up to and including termination. Failure to notify the District of an absence and failure to report to work on such day could result in disciplinary action up to and including termination. Failure to return to work the day following the expiration of an authorized leave of absence may result in termination of employment.

Staff members are required to attend all mandatory administratively called meetings. Administratively called meetings will generally occur within the workday but there may be limited occasions where it is necessary to begin a meeting before the time at which the normal workday begins or later than the end of the normal workday. These meetings will be conducted within a reasonable length of time. Staff members also are required to attend all meetings related to the professional responsibility of the position held.

Staff members are encouraged to attend school events. Limited school events may be mandatory for staff attendance (example: Title I Parent Nights). Every effort will be made to inform staff members of these events well in advance of the date.

### **FRONTLINE (AESOP)**

When it is necessary to be absent, it is the employee's responsibility to notify the immediate supervisor and the Absence Management System at the earliest opportunity to indicate the probable duration of the absence. All employees will either call in and their leave days through the AESOP automated caller system or go to Frontline (AESOP) online and enter them on a computer.

### **Use of District E-mail**

All distributed and posted materials shall always be professional in approach, shall not contain any derogatory comments about staff, parents, students, or School Board members and shall not be in contravention of any District policy or law. District e-mail also may be used as a limited forum for employees to share professional development information and other apolitical literature that is directly connected to employment at the District and is consistent with District policy and applicable law.

E-mail is considered property of the District and is a public document that may be subject to disclosure under Open Records Act. Please review the technology policy for acceptable use of District e-mail.

### **Child Abuse Reporting**

Any school employee who has seen a child in the course of professional responsibilities and has reasonable cause to suspect that the child has been abused or neglected or who has reason to believe that the child has been threatened with abuse or neglect, and that abuse or neglect of the child will occur, shall report the suspected abuse or neglect to the appropriate agency authorities: school authorities or public authorities, such as Social Services or the Police Department. And in accordance with district procedures, all employees are required to attend training as directed by the District.

### **Confidentiality**

Pupil information that employees obtain as the result of their employment with the District is confidential and protected by law unless such information has been designated as pupil directory data as set forth in Board Policy J-7050. The law and respect for our students require that student issues are only discussed with employees and parents/guardians who need to know the information. In addition to student information, confidentiality is expected in other areas, including employee or District business information. Any requests for District records shall be referred to the appropriate administrator.

### **Conflict of Interest**

Each employee of the Carlsbad Municipal Schools is in fact an employee of the State of New Mexico. As such, each employee will refrain from activities, employment and business transactions, which would constitute a conflict of interest. A conflict of interest is defined as any judgment, action or relationship that may benefit an employee or another party the employee is affiliated with because of the employee's position with the District.

Employees are asked to avoid outside activity that may compete or be in conflict with the best interests of the District. Employees must disclose to his/her immediate supervisor information of any transaction that may be considered a conflict of interest as soon as they know the facts. No employee may use his/her position to obtain financial gain or anything of substantial value for the private benefit of himself/herself or his/her immediate family, or for an organization with which he/she is associated.

### **Dress Code**

#### ***Uniformed Employees***

Some employee groups may be required to wear uniforms (i.e., custodial staff). Uniforms provide a professional appearance within the District and save the employee's wardrobe. Employees will be monitored by their supervisor to ensure that the uniform meets District requirements, is clean and in good repair. Appropriate safety gear shall also be worn at all times as deemed necessary.

### ***Non-Uniformed Employees***

All District employees work for the public, and the public often judges individuals and the District by appearance. It is important that all staff attire be appropriate for the job and that it conveys a neat, professional, and clean image. Appropriate business casual attire should be consistent with professional responsibilities and activities. The mode of dress or grooming should not be disruptive to the educational environment. Any employee appearing for work whose dress is identified by administration as inappropriate, for any reason, will be asked to leave and return to work in acceptable attire.

It is the intent of the Carlsbad Municipal School District that District employees groom and dress themselves in an appropriate manner that will not interfere with or detract from the school environment, nor disrupt the educational process, and will set positive examples for our students. Students, parents, and other community members who interact with staff members are more likely to respond favorably to a staff member who dresses professionally. Students are more likely to show respect and follow directions from a staff member who dresses professionally.

In order to facilitate these goals, all employees of the Carlsbad Municipal School District must comply with the following guidelines. In general, employees are expected to dress in a professional style. This includes avoiding extremes in dress and maintaining a clean and groomed appearance. - All clothing should be modest and not be excessively tight or revealing. Leggings are permitted if appropriately fitted and a top garment covers the upper thigh area. Workout attire is not considered professional dress.

## **Exceptions to the Code**

The District, exercising its discretion, may create exceptions to the dress code for certain designated days, such as Spirit Day, and holidays. However, dress must still be appropriate under guidelines established for each exception and should an employee violate those guidelines, then the enforcement provisions herein may be exercised. Unless otherwise specified, this code shall remain in effect during exceptions.

See Code of Ethical Responsibility of the Education Profession, NMAC 6.60.9.1 to 6.60.9.12.

The Board of Education further recognizes the need to adopt local standards of ethical behavior and conduct which, if violated may constitute just cause for termination or discharge of licensed and non-certified personnel.

As a result, the Board of Education hereby adopts the NMPED's Code of Ethical Responsibility cited above and, by such adoption, makes the code of ethics therein applicable to all licensed personnel of the School District and compliance with those ethical standards a contractual duty of all licensed personnel of the District.

The administration may also conduct a background investigation of current employees if it becomes aware of facts, circumstances, or conduct that indicate(s) an individualized reasonable suspicion that undisclosed aspects of the employee's background might disqualify him/her to continue in employment with the District.

### **Investigations and Reporting of Alleged Ethical Misconduct**

The Superintendent shall investigate all allegations of ethical misconduct about any school employee who resigns, is being discharged or terminated or otherwise leaves employment after an allegation has been made. If the investigation results in a finding of ethical misconduct by a licensed school employee, the Superintendent shall report the identity of the licensed school employee and attendant circumstances of the ethical misconduct on a standardized form to the Public Education Department and the licensed school employee within thirty days following the separation from employment or immediately if knowledge of the ethical misconduct is sexual harassment or sexual abuse of an adult or child. The employee's failure to comply with the directive may constitute "insubordination," a violation that will be grounds for disciplinary action up to and including termination.

**Investigation interplay with potential criminal conduct:** If the alleged misconduct may constitute criminal conduct by the employee, the employee may be provided a Garrity warning (the employee may be required to answer questions for the District investigation but the information could not be used in the criminal investigation). *Garrity v. If you have been overpaid in your paycheck, you must contact the CMSD Payroll Department immediately. Any overpayment must be returned to CMSD in full upon request by the Payroll Department.

### **Records of Time Worked**

Non-exempt employees who record time worked via time cards or time sheets are responsible for recording their own time. No one may record hours worked on another's timecard or timesheet. Tampering with another's time record is cause for disciplinary action, up to and including discharge/termination, of both employees. In the event of an error in recording your time, report the matter to your supervisor immediately.

## **Employee Classification**

At the time you are hired or transferred to a new position, you are classified as a regular full-time, regular part-time, short-term, or temporary employee. In addition, you are classified as non-exempt or exempt in accordance with the Fair Labor Standards Act (FLSA) and applicable state law. If you are unsure into which classification your position fits, please ask your supervisor.

## **Non-Exempt and Exempt Employees**

The Fair Labor Standards Act (FLSA) is a federal law which requires that most employees in the United States be paid at least the federal minimum wage for all hours worked and receive overtime pay at time and one-half the regular rate of pay for all hours worked over forty (40) hours in a workweek. Employees in certain types of jobs are entitled to overtime pay for hours worked in excess of forty (40) hours per work week. These employees are referred to as "non-exempt". This means that they are not exempt from (and therefore should receive) overtime pay. Exempt employees are those whose duties and responsibilities exempt them from statutory overtime pay provisions. This includes Teachers and Administrators as well as other employees who meet the job duties tests.

Non-exempt employees, those non-certificated employees subject to the minimum wages and overtime provisions of the Fair Labor and Standard Acts, are required to complete an individual timecard showing the actual daily hours worked on their timecard or electronic system as applicable. Timecards/electronic systems (reports) shall cover one (1) workweek and shall be completed at the close of each workday.

Employees shall record their starting time, time out for lunch, time in from lunch, quitting time, and total hours worked for each workday.

Employees are not permitted to sign in or commence work more than fifteen (15) minutes before their normal starting or to sign out or stop work later than fifteen (15) minutes after their normal quitting time without the prior approval of the school administrator/supervisor.

All employees are required to take a lunch or meal break. Exceptions may be made for lunch periods per a voluntarily signed and written agreement between the employee and administrator and the Human Resources Department.

All employee time records shall be verified and signed by the school administrator/supervisor. Reporting another employee's time or falsifying one's own time is prohibited and may be grounds for disciplinary action including termination.

For the purpose of calculating regular and overtime hours in accordance with wage and hour requirements, the District's designated workweek shall begin at 12:01 a.m. on Saturday and conclude at

12:00 midnight the following Friday.

### **Handling and Receipting of Money**

A purchase order may be obtained by working with your school principal or immediate supervisor. Under no circumstances will the district pay for an order if a purchase order has not been obtained prior to the order of items.

### **Garnishments**

You should manage your financial affairs so that the District will not be obligated to execute any court ordered wage garnishments against you. If the court orders the District to take deductions from your paycheck, you will be notified accordingly. A processing fee may be assessed for each transaction.

### **Educational Retirement (ERA)**

Participation in ERA is mandatory by state law and provides eligible employees with a monthly pension benefit upon retirement. The contributions from the employer and the employee will be at the rate mandated by the state. Members may withdraw their contributions only when they terminate covered employment in New Mexico.

Employees are required by statute to contribute a small percentage of their salary established annually by the Retiree Health Board to a prefunded group health insurance fund for current and future retirees. These contributions, along with employer and current retiree contributions, will be combined to provide benefits to you when you retire.

### **Social Security**

Employees participate in Social Security. The cost is borne equally by the employee and the District. Contribution levels are established by law, and are subject to change.

### **Credit Union**

All new employees and their family members are eligible to join the Financial Security Credit

Union, which provides share accounts and loans through payroll deduction. Information on their services can be obtained from: Financial Security Credit Union/1105 W. Pierce Street/Carlsbad, New Mexico/575-887-6030.

## **Section 8 – Leaves – All Employees**

Leave policies vary by employee group. For specifics, please refer to the negotiated agreements with C-FUSE, NEA-Carlsbad, or United Steelworkers.

Requests for absence, other than sick leave, must be made on a prescribed form or AESOP to the building principal/supervisor, who will forward it with an endorsement to the Superintendent or his/her designated representative.

### **Absent Without Leave**

An employee shall be deemed "absent without leave" when absent from work because of:

- A. A reason that conforms to a policy currently in effect but the maximum days provided for in that policy will be exceeded; or
- B. A reason that does not conform to any policy currently in effect; or
- C. Failure to report to work without prior notification to the Superintendent or his/her designee.

In no case shall an employee be compensated for time lost due to being absent without leave. An employee who is absent from work without prior approval is subject to disciplinary action, as is one who was unable to obtain prior approval due to unusual circumstances and such approval is denied upon the employee's return.

### **Sick leave/bereavement leave**

Sick leave may be used for personal illness, family illness or death of immediate family members. Immediate family members include only the following:

- Spouse
- Daughter/step-daughter/daughter-in-law
- Son/step-son/son-in-law
- Father/step-father/father-in-law
- Mother/step-mother/mother-in-law
- Brother/step-brother/brother-in-law
- Sister/step-sister/sister-in-law
- Grandparents or grandchildren
- Foster child or foster parent
- Relative living in the immediate household of the employee and who is dependent upon the employee for their care.
- Domestic Partner (as defined in school policy)

Sick Leave in excess of three (3) consecutive days will require a doctor's statement indicating that the illness justifies the leave.

Absence due to the death of a close relative of the employee, other than the immediate family as

identified in the sick leave policy, must be approved in advance by the Superintendent or his/her designated representative.

Approved sick leave for death in the immediate family shall be limited to not more than five (5) work days for each occurrence, and is subject to the approval of the Superintendent/designee.

### **Sick Leave**

All licensed employees are granted sick leave days as follows:

- classroom teachers, ten (10) days per year granted at the August 31 payroll;
- eleven (11)-month employees, eleven (11) days granted in July or August, depending on starting date;
- twelve (12)-month employees, twelve (12) days granted in July.
- Late start licensed employees are prorated based upon the total number of contract days for the category of position.

All classified employees are granted sick leave days as follows:

- nine (9)- and ten (10)-month employees, five (5) days on the August 31 payroll and five (5) days on the January 15 payroll;
- twelve (12)-month employees, six (6) days on the July 15 payroll, and six (6) days on the January 15 payroll.
- Late start employees will have their sick leave prorated, based upon the total number of contract days for the category of position.

Employees may not utilize sick leave prior to being earned. If sick leave is utilized in excess of earned sick leave days, the employee will be docked for any day in excess of earned sick leave days at the daily contract rate. Such docking in pay will be subject to review and/or approval of the Superintendent or designee.

Unused sick leave may accumulate from year to year up to a maximum of one hundred twenty (120) days.

The Superintendent or designee shall ensure that sick leave is used only for:

- illness or injury to the employee;
- illness or injury of a member of the employee's immediate family; and,
- death in the employee's immediate family.

All persons absent from duty because of any reason listed above shall be charged sick leave as used even if a substitute is not employed.

Claims of sick leave under this program shall be approved only for the reasons listed above.

Certification of personal illness or inability to report for duty by a doctor who is duly registered and licensed, a licensed doctor of dentistry, a licensed chiropractor, or a licensed podiatrist, shall be required for absence due to illness or injury in excess of three (3) consecutive workdays duration. This certification shall state the employee's medical condition precluding the employee from working and the expected duration of absence.

Where the school administration suspects sick leave abuse, the District may conduct a reasonable investigation including requests for more detailed medical information reports, and the employee should cooperate with such requests.

Approved sick leave for death in the immediate family shall be limited to not more than five (5) work days for each occurrence, and is subject to the approval of the Superintendent.

Any employee who can be shown to have willfully violated or misused the District's sick leave policy or misrepresented any statement or condition will be subject to discipline, which may include reprimand, suspension, and/or dismissal.

### **Sick Leave Bank**

A Sick Leave Bank is available for employees in the bargaining unit represented by NEA-Carlsbad and C-FUSE. New employees, who elect to join the Sick Leave Bank, must enroll within twenty (20) days of their beginning date of employment. Enrollment forms will be provided to you by the Human Resources Department. More detailed information may be obtained from the employee group's employment contract.

### **Vacation Days**

**Employees who are employed for 240 or more days of a calendar year shall be granted annual vacation with pay in accordance with the following schedule:**

1. Employees with up to ten calendar years of service shall receive ten vacation days.
2. Employees with ten through 14 calendar years of service shall receive fifteen vacation days.
3. Employees with 15 or more calendar years of service shall receive twenty vacation days.

### **Accumulation of Vacation Days**

Vacation days may carry over not to exceed 40 days.

Accumulated vacation time may be used for extensive travel or study if approved by the Superintendent. The intent to allow vacation time to accrue for the foregoing reasons shall be submitted to the Superintendent and approved by the Board prior to the time of the beginning of vacation accrual.

Except with individual approval by the Superintendent, vacations shall be taken between June 1 and August 30 of the current calendar year.

Employees may receive a pay-out for up to 40 accrued vacation days upon retirement.

### **Leave of Absence**

Under certain circumstances, employees who have completed at least three (3) years of satisfactory service with the district may be granted a one year leave of absence without pay. Paid employment cannot be accepted during the leave time. If you find it necessary to request such a leave, consult your principal or supervisor immediately.

### **Military Service Leave**

An employee who is a member of the army or air national guard or army, air force, navy, marine or

coast guard reserves shall be given but not to exceed fifteen working days' military leave with pay per federal fiscal year when they are ordered to duty for training, such leave to be in addition to other leave or vacation time with pay to which such employees are otherwise entitled.

Military Reserves or National Guard absences may be taken as necessary to fulfill these required obligations.

The District must reemploy uniformed service members, as defined in 38 U.S.C. 4303, returning from a period of service, if the service member:

- Was employed by the District.
- Gave the District notice that he/she was leaving the job for service in the uniformed services, unless giving notice was precluded by military necessity or otherwise impossible or unreasonable.
- Has a cumulative period of service in the uniformed services not exceeding five (5) years.
- Was not released from service under dishonorable or other punitive conditions.
- Has reported back to the District in a timely manner or has submitted a timely application for reemployment in accordance with the Uniformed Services Employment and Reemployment Rights Act.

### **Civic Leave**

Civic Leave is granted to employees called for jury duty. If the employee receives compensation for jury service for time spent during working hours, that pay is to be reimbursed to the business office.

An employee may be granted civic leave to attend a school related legal proceeding at which the employee is either a party to a case or is required by a lawfully issued subpoena to attend. The employee will provide written verification of their eligibility for this leave to the employee's immediate supervisor and to the Human Resources office.

An employee excused from jury duty after being summoned shall report for regular duty as soon as possible. Failure to report for duty will result in a deduction equal to that portion of a contract day missed.

Human Resources may request any employee to provide a sealed notice verifying his/her attendance for jury duty. The notification is easily obtained from the court clerk upon request; however, it will only be sealed at the end of the day.

An employee who receives a subpoena for a matter that is not school related will be required to use either a personal leave day or leave without pay.

### **Personal Leave**

Personal Leave days are days available for business or emergencies that cannot be handled before or after school hours. This time is to be scheduled through the site administrator. Approval will be granted for non-emergencies if the absence does not provide an undue hardship on students and other staff members of the school site. Personal leave may not be taken preceding or following a holiday or during the first or last week of school without prior approval of the Director of Human Resources.

Each staff member will be granted personal leave not to exceed three (3) days per year for which the employee need not state a reason. Personal leave days may not be accumulated and do not carry over from year to year. No more than ten percent (10%) of the staff or other groupings of employees may take personal leave at any one time. Requests for personal leave must be received at least four (4) working days prior to the first day of leave unless considered an emergency by the approving administrator, and must be approved by the principal. Requests shall be acted upon in order of receipt, and the availability of substitutes, if necessary, may limit the number of requests granted at any one (1) time.

Personal leave may not be taken the first week of school, the last week of school, or before or after a holiday or long weekend without prior approval from the Human Resources Department. Personal Leave beyond the maximum of three (3) days allowed, or non-approved personal absence, will result in a salary deduction on a pro-rata basis according to the number of days contained in the contract.

Absence due to once-in-a-lifetime events in which the employee has no control over the date (i.e., college graduation, fiftieth (50th) wedding anniversary of parents), leave can be requested only after personal leave has been exhausted. Approval must be given in advance by the Superintendent. There may be a salary deduction, and it is limited to five (5) days per event.

### **Unused leave**

Employees who breach their contract of employment with the district or who are terminated for “just cause” will not be eligible to receive any payment for accumulated but unused sick leave, personal days, or non-work days.

## **Section 9 - Business Hours & Attendance**

Employees are expected to comply with the District’s working hour requirements for their particular position, or be subject to disciplinary action. Employees may refer to the District’s Leave Policy to see how to exercise their rights under this policy. However, unauthorized or excessive absences or tardiness may lead to disciplinary action, including possible dismissal. Always contact your supervisor prior to a known need to be absent or immediately when the need becomes known.

Your particular hours of work and the scheduling of your meal period will be determined and assigned by your supervisor. Most employees in the district offices are assigned to work a regularly-scheduled work week and are required to take an unpaid lunch period.

### **Absence or Lateness**

If you are unable to report to work, or if you will arrive late, contact your supervisor immediately. If you know in advance that you will be absent, you must request this time off directly from your supervisor. A consistent pattern of absences can be considered excessive. In addition, excessive lateness or leaving early may carry the same weight as an absence. Other factors, like the degree and reason for the absences or lateness, will be taken into consideration. Unauthorized or excessive absences, lateness, or leaving early may lead to disciplinary action, up

to and including termination/discharge.

## **Reporting Absences**

When it is necessary to be absent, it is the employee's responsibility to notify their supervisor and enter the absence through the Frontline/AESOP system. Absences that occur early in the morning should be reported by no later than 6:30AM.

## **Holidays**

The Carlsbad Municipal School District follows all holidays that are determined by the Calendar Committee each school year. Individual employee groups may have varying holiday schedules (see current school year calendar).

Vacation days also follow the school year calendar. The Custodial/Maintenance Department's vacation days and holidays are determined by the length of service and the school calendar. Employees are not allowed to work during holidays to replace regular workdays, without prior written approval of their supervisor and in compliance with union agreements.

## **Procedures for Delayed Schedule Due to Inclement Weather**

### **● Procedures for 2-Hour Delay Schedule**

When the weather conditions are extremely bad, and it is necessary to delay the starting time for school, the following schedule will be implemented. Starting times will be delayed by two hours, which means the buses will run approximately two hours later for all grades:

- Pre-K: The morning session will not attend. The afternoon session will attend at the regular time.
- All-Day Kindergarten and Elementary (Grades 1-5) will start at 9:45 a.m.

- Per-K: The morning session will not attend. The afternoon session will attend at the regular time.
- All-Day Kindergarten and Elementary (Grades 1-5) will start at 10:45 a.m.

Delay information will be broadcast on both radio and TV stations. Please listen to these media during bad weather conditions for current information on possible day.

All District administrative and support personnel are expected to report for duty as close to their regular schedule as safely possible. This allows a maximum delay of two hours. Arriving late to work is only acceptable when severe weather causes hazardous driving conditions, not due to mechanical issues caused by cold weather.

If an employee does not report to work, she/he shall take eight hours of annual leave or one personal leave day.

### **Building Access by Employees**

District buildings will customarily be opened, closed, and secured only by the designated building supervisor, assigned custodian or another district employee specifically designated to perform those functions. The building supervisor may allow other employees to apply for access privileges and building keys/cards under certain circumstances that are beneficial to the district and or the operation of the building in question. District employees shall not give building keys/cards to an outside organization or person not employed by the district. Any employee granted access privileges is required to enforce and abide by all district policies and procedural directives regarding the use of the building and any equipment therein.

## **Section 10 – Professional/Certified Teaching Staff**

Teachers are professional employees as defined by the federal Fair Labor Standards Act.

### **Normal Hours**

Although professionals' work is not limited to any specified number of hours or days per week, the "normal" hours of work for full-time employees in positions authorized as "40 hours per week" as well as a duty-free lunch period of at least thirty (30) minutes each day. A 40-hour work week for middle school and high school teachers results in a typical work day equivalent to 7:45 am - 3:45 pm. At the elementary level, the work day is equivalent to 7:30 am - 3:15 pm.

### **Professional Hours**

Education and teaching is a professional occupation. The professional staff is expected to be with students for their supervision and instruction and to be present at those times needed to carry out their professional responsibilities. Professional responsibilities include, but are not limited to time and events such as: all instructional time, grade level/department/building/district meetings, professional development, supervision duties, attending and supporting youth at school events, etc. At times, these requirements may result in workdays with more than 8 hours of required time.

Part-time staff members are required to attend 100% of professional development expectations to include professional development, grade level, department, and faculty meetings without additional compensation. Part-time staff members are required to attend 100% of open house time. Part-time teachers are required to work with the assigned percentage of FTE for all parent teacher conferences and required record days.

A common expectation for all Carlsbad Municipal Schools staff members is that they may manage their work time. Carlsbad Schools' faculty are committed to students as demonstrated through their completion of classroom responsibilities, duties, and work. Teachers are to be available to meet with parents, staff, colleagues, and administration, and participate in meetings or professional responsibilities including contributing to the school community through attending school sponsored events.

Teachers manage their work time and operate under "professional hours." Teachers are expected to be at their work areas during their assigned duties and teaching assignments and the scheduled minutes prior to and scheduled minutes after the student day, unless excused by their building principal or his/her designee. Teachers are collectively responsible for overall student learning, safety of students and their own professional responsibilities. For example, teachers should be in attendance before and after the regular student day for activities such as faculty/department/grade level meetings, IEP meetings, student assistance, etc. Teachers are expected to fulfill their professional responsibilities, including all duties. Misuse of professional hours will result in disciplinary action.

### **Professional Growth**

CMSD recognizes its responsibility to provide opportunity for the continual professional growth of its certificated staff. Such opportunities include, within budgetary limitation, special in-service training courses, workshops, school or District visitations, conferences, and assistance from supervisors and consultants.

### **Mentoring**

All new teachers to the District will be placed into the District's mentoring program. All aspects of the mentoring program, including attendance at meetings, is expected of new teachers to the District as well as active mentors.

### **Professional Development Days**

The District recognizes the importance of staff development that is designed to enhance professional knowledge, skills and dispositions to meet job responsibilities and positively impact the achievement of the District's mission. Therefore, all teachers are required to attend all professional development days of the District.

Part-time teachers shall attend all meetings without additional compensation or time off. Personal days and pre-scheduled sick days shall not be granted on professional development days without unique and unavoidable cause. Teachers may be required to provide a doctor's note for a sick day taken on a professional development day.

Teachers must be present for the complete professional development day and may not leave early for extra-curricular activities. Coaches may leave early for game day timelines.

### **Teacher Assignments, Vacancies and Transfers**

A basic idea in the Carlsbad Municipal Schools will be to encourage employee growth by allowing existing staff members to receive first consideration for job responsibility assignment change.

Notice of an existing vacancy or vacancies shall be posted on the District website.

Promotion or lateral transfers shall be contingent upon the applicant having met all job and licensure requirements. Application shall be made through Frontline.

The Superintendent will determine all licensed professional staff assignments. Such assignments shall be based on the needs of the District. In addition, no right to school, grade, or subject assignment shall be inferred from the standard teacher's contract.

Please refer to *Policy G-3450©GCF or G-7650©GDF* and your negotiated agreement, if applicable, for more information.

## **Transfers**

The Carlsbad Municipal School District provides employees with an opportunity to apply for transfer to other positions within the district. Approval of transfers depends largely upon training, experience, and work record. The Carlsbad Municipal School District is an equal opportunity employer and will consider qualified applicants within and outside the District. The Carlsbad Municipal School District encourages employees to review the Carlsbad Municipal School District website for career opportunities.

The procedure for assignment and transfer of professional staff members will be based on the needs of the instructional program. Assignments may be changed to serve the best interests of the District and students.

Professional staff members may apply for transfer or reassignment, whether or not a vacancy exists. Generally, transfers will not be approved during the school year unless the needs of the District dictate such approval.

It shall be the policy of the Board that professional personnel be assigned on the basis of their qualifications, the needs of the District, and their expressed desires. When it is not possible to meet all three (3) conditions, personnel shall be assigned first in accordance with the needs of the District, second where the Superintendent determines the employee is most qualified to serve, and third as to expressed preference of the employees.

In the case of vacancies in new or existing positions, first consideration will be given to qualified applicants among current employees.

The Superintendent shall have the responsibility for the assignment of all personnel throughout the District.

The resolution of any conflicts over the need for a transfer shall be based on what is best for the instructional program, the needs of the students, and the overall needs of the District as defined by the Superintendent.

## **Employee Resignation of Professional Staff Members**

Professional employees shall give thirty (30) calendar days written notice of intention to resign or request a release from contract. A release from an uncompleted contract may be granted contingent upon the availability of a well-qualified, licensed teacher as a replacement. This notice should be submitted to the supervisor in writing and should specify both the last day of work and the reason for terminating. The following is to be completed:

A teacher who resigns contrary to the required 30 day notice shall be deemed to have committed an unprofessional act and shall be subject to the penalty as provided under New Mexico statutes and Secretary of Public Education regulations.

Each licensed teaching employee shall deliver an acceptance or rejection of reemployment to the Governing Authority within fifteen (15) days from the following:

- The date written notice of reemployment is served upon the person; or
- The last day of the school year when no written notice of reemployment or termination is served upon the licensed school employee on or before fifteen (15) working days prior to the last day of the school year.

## **Teacher Supervision and Evaluation**

The purpose of evaluation shall be the improvement of performance. Such a process, to achieve the greater measure of success, shall be predicated on the assumption that the evaluation will be a cooperative procedure, with the evaluator and the teacher having full knowledge of the criteria, process, and results.

The following statements give more specific purposes for evaluation:

- Evaluations determine how well the objectives held by the school are being carried out. The success of the educational program is dependent upon the quality of classroom instruction, supervision, and administration.
- Evaluations provide the basis for motivation and for self-improvement, permitting personnel to be aware of their strengths and weaknesses in order to improve.
- Evaluations provide a basis for planning in-service training and supervisory activities. Such activities can be most effective when they are based upon clear evidence of need as shown by evaluation studies.
- Evaluations provide the basis for administrative decisions. Such decisions may include the employment of personnel, their assignment, promotion, demotion, or termination.
- Evaluations aid in determining satisfactory or unsatisfactory performance.

## **Discipline, Termination and Nonrenewal of Certified/Licensed School Instructors**

This policy is intended to cover decisions by the Superintendent to re-employ, reduce in force, or terminate licensed school instructors. The purpose is to ensure that any decisions to re-employ, terminate, reduce in force, or discharge, and comply with Section 22-10-12, 22-10-13, 22-10-14, and 22-10-17 NMSA, 1978 as amended, 1991.

## **Statement of Policy**

The Carlsbad Board of Education will exercise its discretion in deciding questions effecting programs, positions, and individual employees, and will make good faith judgments based upon factors outlined below which will best serve the district's educational needs. The Board is committed to providing its students with excellent educational programs with the best professional staff, and will strive continually to improve the quality of education the district delivers. It is in the best interest of the school district to hire and retain the best-qualified, licensed school instructors, and the district recognizes that to do so, licensed school instructors must be treated professionally and fairly.

## **Re-Employment**

On or before the fifteen (15th) calendar day prior to the last day of the school year of the existing employment contract, the Carlsbad Municipal Schools Board shall serve written notice of re-employment or termination on each licensed school instructor employed by the District according to State Board of Education Regulation No. 75-7, Amendment No. 1. A notice of termination shall be a notice of intention not to re-employ for the ensuing school year. Failure of the School Board to serve written notice for re-employment or termination on a licensed school instructor by the last day of each school year shall be construed to mean that notice of re-employment has been served upon the person according to the terms of the existing employment contract, but subject to any additional compensation allowed other licensed school instructors of like qualifications and experience employed by the district. It is the responsibility of the licensed school instructor to deliver a written acceptance or rejection of re-employment for the ensuing school year within fifteen (15) calendar days to the administrative staff. (Section 22-10-12 and 22-10-13 NMSA 1978).

For purposes of this policy:

- "Discharge" means the act of severing the employment relationship with a licensed school employee prior to the expiration of the current employment contract.
- "Terminate" means, in the case of a licensed school employee, the act of not reemploying an employee for the ensuing school year.
- "Working day" means every school calendar day, excluding Saturday, Sunday or legal holiday.
- "Just cause" means a reason that is rationally related to an employee's competence or turpitude or the proper performance of assigned duties and that is not in violation of the employee's civil or constitutional rights.
- "Administrative leave" means the assignment of an employee to the employee's home to await further instructions pending the outcome of an investigation or inquiry into the actions of the employee in order to avoid interference in the inquiry. The use of "administrative leave" is not a disciplinary action.

## **Categories of Misconduct**

Licensed staff members may be disciplined for infractions that include, but are not limited to, the following categories:

A copy of each record shall be given to the person charged with unsatisfactory work performance.
