what's with you you've been avoiding me for days

i thought you and i were.. i mean last week when we were out at coney island

i've had a hard time catching up with you now i see why

look uh i can't explain right now but can we talk a little later

Peter

with you it's always a little later

I won't deal with that anymore

(some extra noise like mmmmmmm while she flexing her muscles)
