San Antonio Math Include

Edward is part of the Class of 2025 at Basis San Antonio Shavano. He enjoys the curriculum in Basis since he learned a lot from the rich resources. He is especially interested in math and science and begins to join some competitions. His team got the regional champaign in Science Bowl competition in 2020 and 2021. and he is currently preparing National Science Bowl competition. He plans to gain competencies in a range of science disciplines in the future years. As a chess player, he used to serve as an assistant in regional chess competition events. He enjoys teaching and wishes to help others to excel in math and science.
