US: +1 646 876 9923 or +1 669 900 6833

Meeting ID: 564 290 440

International numbers available: <https://zoom.us/u/BkAeS2Hb>

Join a committee!

Planning Committee members will plan the quarterly meetings of our general WI-AIMH Southern Region Chapter members. This includes deciding on a guest speaker, venue, and the general logistics of the meeting. The goal of each of these quarterly general membership meetings is to share some knowledge, meet other professionals passionate about infants and early childhood and their families, and share the business of our chapter.

Outreach Committee members will reach out to other organizations to help get the word out about WI-AIMH and our chapter and recruit new members. We want to ensure we are letting all professionals who touch the lives of infants, young children and their families know about the benefits of joining us. Outreach may also work to inform the community of the importance of the early years.

Reflective Practice Committee members will work to increase opportunities for reflective practice and reflective supervision in our region. This group will “think out of the box” in coming up with solutions for our need to reflect on action, for action and in action.

Most committees will meet via phone conferences, although some in-person meetings may also be held, based on the needs of the committee members.
