Dear Parents,

Social isolation is a growing epidemic. In every school and community nationwide, there are young people who suffer silently because they feel left-out, alone or invisible. Those who are isolated can become victims of bullying, violence and or depression. As a district we are committed to prevent this sense of isolation and we are participating in the Sandy Hook Promise-START WITH HELLO! Beginning next week we will kick off this initiative by wearing green on Monday, and showing your child 2 short videos of what you do when you see someone alone and suffering.

Step 1-See Someone Alone

Step 2-Reach out (+) Help

Step 3-Start with HELLO!

We are grateful that START WITH HELLO is being brought into our school and communities. Please know that we are always open to ideas for helping our youth to thrive and empathize with others through this program.

Thank you in advance for your support. You can find the agenda and all activities in the attached form.

Sincerely,

Lisa Eubanks
WBA Counselor
