Course Name :

Semester OER will be used:

Course Objectives and Topics

Objectives	Topics Covered

Textbook: Discerning quality

When thinking about the quality of textbooks and course materials, how would you rank your top 5 elements? (Example: currency, accuracy, reviews, class topics covered, etc.)

- 1.
- 2.
- 3.
- 4.
- 5.

Have you used any OER resources before, and if so, please list them below:

What type of OER are you looking for? A textbook? A video? A set of lesson plans?

List what you like (or love) about your current course materials

List what you don't like about your current course material

List anything you'd be willing to realign, rethink, or let go
