

Seabury Hall
Course Enrollment Information
2025-2026 School Year

As we prepare for the 2025-2026 school year, course enrollments are now visible in the (Student and Parent) portal (also known as Blackbaud). Course enrollment notes the classes which students are enrolled in; a more detailed schedule with blocks, etc will be forthcoming as we get closer to the start of the new school year.

To view the enrollments: Parents, returning students and new students that have set up their school email address/portal account now have access through the Parent/Student Portal to view course enrollments for the upcoming school year. New students (who have not yet set up their school email and portal account) will receive instructions on accessing the Student Portal during their orientations in August.

Visit www.seaburyhall.org and click Login in the upper right hand corner. Once logged in, go to the **Course Requests** tab to see the class enrollments on the right column. Note that only classes indicated as “Enrolled” are currently scheduled. [Click here for a tutorial graphic](#). Parents with multiple children will need to select the child they wish to view from the left hand drop down menu.

Questions regarding course enrollments may be directed to Karmen Brown, Registrar at kbrown@seaburyhall.org. A request to change course enrollments may be made using the following forms:

- [Grade 6-10](#)
- [Grades 11-12](#)
