2.40 – 2.50	Pack up & class meeting	Pack up & class meeting		Pack up & class meeting	Pack up & class meeting

Term 2, Week 5 - Room 11 You can choose when to do these activities. They must be completed to a high standard by morning tea on Friday.

Reading

- Fill in your reading log in the back of your spelling book and the sticker chart. You need to read at least 10 books this term.
- Read the Valley of the Kings information before your lesson on Thursday.

Maths

- Complete the activities your teacher gives you after your lesson.
- Mark your work and figure out what caused any mistakes.

Reflection

- On your blog or in your journal reflect on your experience at the Catholic Schools' Day. Did you talk to any new people? Did you start the conversation or did they? In what way did you take some risks or put yourself out there? How did you help to make it a successful day?
- Comment on at least 2 other people's blogs. Think carefully about making your comments thoughtful and appropriate.

Ancient Egypt

- Create a Flipgrid video about an aspect of Ancient Egyptian culture that you have learned about. Aim for 40 - 60 seconds.
 - You will need to research this so you have accurate information.
 - Write yourself some notes or a short script to help you when recording your video.
- Egyptification - create a decoration for our class that makes it look more Ancient Egyptian! (Optional - do this once your other tasks are finished.)

Te Reo

- Remember to use the phrase of the week: Titiro ki tēnei! (Look at this!)

German

- Complete 50 XP on Duolingo.

Spelling

- Learn your 15 spelling words by writing them into your Spelling book with the headings Write, Strategy, Practice. Get a buddy to test you and show your test to the teacher.
- Then get 15 new words to learn next week and ask your teacher to check and sign them.
- If you're in the Vocab Extension group, choose 5 new words to learn. Write them in your spelling book with the definition and a sentence for each one. You will be tested on their spelling and meanings.

Homework

- Continue work on your Science Fair project.
- Choose some of your tasks to complete at home so they are all finished by Friday.
- Read for at least 20 minutes each night. Remember you need to be reading a book every week (but really long books can count as 2 books if necessary).
