

# **This document includes the most up to date information on Final Exams and EOCs**

**Final Exams:** These are teacher created final exams that are worth 10% of a student's final grade. Every class other than those listed below for EOCs gives a final exam.

**EOCs:** These are state created exams that are worth 20% of a student's final grade. The classes that have EOCs are:

- English 2
- Algebra 1
- US History
- Biology

**At this time there is not a succinct exam schedule. This document will be updated when there is.**
