Subheader	Saving out with Truemed is easy, follow these steps!
Body	1. Take a 2 minute evaluation survey from Truemed that will be reviewed by a licensed practitioner for \$20. 2. If eligible, Truemed's licensed practitioners will issue you a Letter of Medical Necessity (similar to a doctor writing a prescription). The letter can cover 12 months of reimbursements! 3. Truemed will send you instructions to obtain reimbursement from your HSA/FSA administrators. Find out if you qualify [Button with your qualification survey link] <i>Note from Truemed: If a customer has difficulty submitting a claim for reimbursement, please have them reach out to support@truemed.com and our team will be ready to provide the information that their HSA/FSA administrator is requesting. In the event that Truemed is unable to assist in overturning a claim, the Truemed fee will be refunded.</i>
Subheader	Shop at [Merchant Name] with HSA/FSA Funds
Body	At [Merchant Name], we believe [product offering] can be medicine, and our new partners at Truemed agree. Through our collaboration with Truemed, eligible customers can now use Health Savings Account (HSA) or Flexible Spending Account (FSA) funds on [Merchant Name] products! This means you may be eligible to buy your favorite [product category] with pre-tax dollars, resulting in average net savings of 30%. HSAs and FSAs were created for you to spend tax-advantaged dollars on products and services that can treat or prevent medical conditions and Truemed is making it easy to do just that.
