DEER SURVEY: You spoke and the Board listened...the Deer Committee has been researching and educating themselves...we've got a Deer Biologist from the South Carolina Department of Natural Resources (DNR) coming to speak at our Semi-Annual Community Meeting. In the meantime, we want your feedback please. Below is a link to a very quick, **3 brief question** survey so that we can track **IF YOU** feel we have a deer issue and **WHERE** those issues might be. Please help us by filling this out and encouraging all your friends and neighbors to do the same. Paper copies are available in the office for those that need them. Survey will close May 10th.
