

Album: NCT #127 Neo Zone

Track 02 - Kick It (영웅; 英雄)

[\[View the vocabulary post for this song here\]](#)

Let me introduce you to some new thangs, new thangs, new thangs
Bass kick swingin' like I'm Bruce Lee, Bruce Lee, Bruce Lee
Shimmy, shimmy, shimmy

불이 불네 불이 불네
이 무대 위로 뜰 땐
난 앞으로 찰러 좌우 Bruce Lee
날아다녀 하루 종일 Bruce Lee

I'm on fire, I'm on fire
When I'm on this stage
I throw a straight jab, left and right
I fly around all day like Bruce Lee

Yeah, yeah

Comin' up 지금 여기로
Baby, 이 느낌은 이해 못 해 머리론
Comin' up here now

Baby, you can't understand this feeling
logically

Fighting for all day

아무 생각 말고
너의 이야기대로 걸어

Don't think about anything
And walk the path of your own story

어두운 어제가 오늘을 삼켜버리기 전에
내 목소린 더 퍼져야 해
소리치면 돼
내겐 no more trauma

Before the dark yesterday swallows up today
My voice has to spread out more
I can just shout out
To me, there's no more trauma

Baby, we go wild (eh, eh)
One-two-seven squad (eh, eh)

난 앞으로 찰러 pow
좌우로 내질러 pow

I throw a straight jab, pow
I punch left and right, pow

난 앞으로 찰러 좌우

I throw a straight jab, left and right

New thangs, new thangs, new thangs

우리가 어딜 가든 축제
들어 축배 like my birthday
모두 감아 차올리지 높이

Wherever we go, it's a party
Raise your glass and toast like it's my birthday
Everyone, brace yourselves and kick up high

Where my roof at?

지붕이 우주에
난 앞으로 찰러 좌우 Bruce Lee
날아다녀 하루 종일 Bruce Lee

(Na na na na na na)

(Ya!) Got that drip

흘러넘쳐 guts
잃어버린 겁
어디서든 make it poppin'

Keep it movin' like 'Jeet Kune'

내 앞을 막을 땐
'Samuel Jackson' 돼, wassup?
배배 꼬인 놈

Baby, you just gotta watch

'Enter the Dragon' 난 영화같이
걸음걸이마저 martial arts

Looking that, everybody looking at me
Cams, action, movie, shh

쓰러뜨려 하나씩
Blows away 자비는 없지 ruthless

Droppin' the bomb on ma enemies
And I'm gonna kick it like Bruce Lee

수많은 날들의 같은 장면을 반복한 끝에
어제의 날 무너뜨리고 소리치면 돼
내겐 no more trauma

Baby, we go wild (eh, eh)
One-two-seven squad (eh, eh)

We ain't never gonna stop

My roof's up in space
I throw a straight jab, left and right
I'm flying around all day like Bruce Lee

Overflowing guts
I lost fear
Wherever we are, we'll make it poppin'

When you block my way
You'll be 'Samuel Jackson', wassup?
You're a seriously twisted guy

'Enter the Dragon', I'm like a movie
Even the way I walk is like a martial art

I knock them down, one by one
I blow them away mercilessly, ruthlessly

After repeating the same scenes for so many days
I can knock down yesterday's me and scream
To me, there's no more trauma

끝이 안 보여도 가

Even if we can't see the end, we'll keep going

난 앞으로 찰러 좌우

I throw a straight jab, left and right

New thangs, new thangs, new thangs

난 앞으로 찰러 좌우 Bruce Lee
날아다녀 하루 종일 Bruce Lee

I throw a straight jab, left and right
I'm flying around all day like Bruce Lee

(Na na na na na na)

My world 만들어가, yeah
상상조차 할 수 없었던 아주 극적인 장면 그
깊은 곳에
눈앞에 펼쳐질 새로운 세상들
손안에 잡힐 듯 내 안으로 들어와
어둠 끝에 다시 난 새로 태어나

I make my own world, yeah
Deep within that dramatic scene that used to be so
unimaginable
New worlds will unfold right in front of my eyes
And they'll be mine, if I just grab them
At the end of the darkness, I'm born anew

(Na na na na na na)

(Na na na na na na)

난 앞으로 찰러 좌우

I throw a straight jab, left and right

New thangs, new thangs, new thangs

우리가 어딜 가든 축제
들어 축배 like my birthday

Wherever we go, it's a party
Raise your glass and toast like it's my birthday

Shimmy, shimmy, shimmy

불이 훅

Catching fire

Shimmy, shimmy, shimmy

훅
높이

Catching
Up high

Where my roof at?

지붕이 우주에
난 앞으로 찰러 좌우 Bruce Lee
날아다녀 하루 종일 Bruce Lee

날아다녀 하루 종일 Bruce Lee
My roof's up in space
I throw a straight jab, left and right

I'm flying around all day like Bruce Lee

I'm flying around all day like Bruce Lee
