Mrs. Dina Testa, Principal

My Sister's Keeper

For those of you who do not know, Ms. Hennigan and I, Ms. Sorrentino, are the coordinators for this year's MSK program. MSK serves the girls by empowering them to build strong foundations within themselves. MSK teaches our girls individuality, how to lead and support one another to have their own voice, and it provides a safe space for the girls in our IS7 community.

MSK is available to all girls schoolwide. This year, MSK will be hosted after school, directly after dismissal, from 2-2:50 pm in room 102, every first and last Tuesday of each month. Please promote our program to our young ladies! Girls **MUST** complete the MSK Interest Form that will be posted in their Class of "2025," "2026," and "2027" Google Classrooms. Additionally, parents **MUST** sign the permission slip on Operoo that will be sent to individual girls who have expressed interest in MSK.

This year's themes will include, but are not limited to: Self-awareness, Gratitude, Respect for Self and Others, Perseverance and Determination, Kindness and Caring, Loyalty, Compassion and Empathy, and Integrity and Courage.
