

Hi there,
I truly hope this email finds you well.

First, I would like to describe myself in a modest way. I am a student in marketing, I do help local businesses to grow their business related to their desirable requirements. I am interested in health, fitness and friend-environmental products.

To the subject. I jumped through your business account on Instagram. Thus, as a copywriter and a person who loved fitness, I would really love to be a part of the BUSINESS'S NAME. It is one of the businesses I felt I could be a part of to grow and get more clients to it.

Would you love to get in a scheduled call with me?
