

Rhonda has been with Broome-Tioga BOCES since September 2024 as a Community Schools Prevention Specialist.

Rhonda got her undergraduate degree at SUNY Potsdam in Psychology/Health & Fitness, and her graduate degree from SUNY Oneonta in School Counseling. Rhonda has 32 years of experience as a school counselor at Mount Markham Central Schools. In the mid 90's she transferred to and retired from Vestal Central Schools. In the district she was a Professional Development Trainer, Dept. Chair, Mentor, Responsive Classroom Specialist.

Rhonda is very passionate about prevention and in the last decade was very interested in the Community School Philosophy and tried to model in working as a School Counselor. After retiring she became interested in becoming part of the Community Schools (CS) Team to marry her experience with the CS philosophy and team. Realizing there was a pilot in CS focused on Prevention felt like a dream come true for Rhonda. She currently serves Susquehanna Valley and Chenango Valley.
