

I-Reading (6 marks)

1 / Read the following passage then answer the questions below :

Human beings have always needed somewhere safe and comfortable to live – somewhere away from the world outside. Our ancient ancestors often used caves. Later, they learned to build houses and they designed **them** to keep out wild animals and bad weather.

Think of the Masai people of East Africa. Long ago, they began building their houses together in circles. **They** were very simple, but each joined the next, and together they became a strong wall. At night, they brought their cows and goats into the centre, safe from dangerous animals. Some Masai have continued living in communities like this until today.

A - Answer the following questions:

1- Where did our ancient ancestors live ?

.....

2- How did the Masai people build their houses ?

.....

B- Put true (T) or false (F) :

1. The Masai brought their animals inside their houses to keep them safe at night. ()

2. All of the Masai have continued living in circles until today. ()
