## Ongoing Volunteer Opportunities

### **Solis and Luna Arts Nonprofit**

Our mission is to bring positivity to our communities through student-led musical performances. Aside from being a performer, we offer research opportunities and leadership positions (writing, media, etc.). Solis and Luna also offers the President's Volunteer Service

Award if a certain number of hours is reached.

There is no age requirement and everyone is free to join at any time. The county director will organize all the dates of the concerts and the locations will be local, such as senior homes and other community events.

All the concerts are worked around the members' schedules so that there are no conflicting times and the majority of people can show up. The concerts are a great way to meet new musicians, and those from other counties as well. For instance, Solis and Luna has provided joint concerts among different counties in New Jersey alone, including Bergen, Somerset, and Essex.

This is a great way to bring joy to the community and learn to be a part of a team. Solis and Luna provides performance experience as well!

Every performer will earn 2 hours of community service for each concert attended.

## **IMPORTANT VOLUNTEER INFORMATION:**

- Please pay attention to deadlines (final day to respond). This is the day the contact person needs your reply. You will need to sign up with the contact person directly.
- Opportunities are first come, first serve so please answer ASAP.
- Many of the events fill up and if this happens, please do not show up after you are informed it is FULL or if you have not registered. Having too many volunteers and not enough jobs is disruptive to the event.
- Only those registered are permitted to volunteer. If a friend wants to join you, please have them register first.
- If for some reason your plans change and you cannot volunteer, please advise the contact person for the event. Typically, Volunteer Coordinators assign students to specific jobs which will need to be filled and they usually have a waiting list or will need to reassign jobs.
- If you need a signed service form, you can bring one or you will receive one from the supervisor of that event at the end of your shift. (NHS, please bring your forms)
- Unless specified, all opportunities are open to all students and adults
- Occasionally some organizations require applications or signed waivers. Please make sure you complete what's required of you. Failure to do so may result in a

lost volunteer opportunity.

- You are welcome to volunteer for as many opportunities as you'd like.
